Big Batch Ranch Dressing Mix

from Katzcradul

Ingredients

2 Cups dry milk powder	4 teaspoons granulated garlic powder
1/2 cup dried parsley flakes	1 teaspoon celery seed
4 teaspoons dried dill weed	4 teaspoons brown sugar
4 teaspoons granulated onion powder	4 teaspoons salt
4 teaspoons dried, minced onion flakes	2 teaspoons cracked black pepper

Step by Step Instructions

Combine all ingredients in a bowl and whisk together.

Store in an airtight container until ready to use.

To make 1 recipe of ranch dressing combine: 1 cup mayonnaise, 1 cup buttermilk, 1 heaping tablespoon ranch dressing mix. Blend completely and refrigerate for at least 30 minutes before serving.

To make ranch dip combine 2 cups sour cream and 1 heaping tablespoon ranch dressing mix. Blend well and refrigerate for at least 30 minutes before serving.

This is wonderful to use as a bread crumb seasoning when breading chicken, fish or steaks or pork chops. Fabulous as a sprinkle on popcorn too!

Enjoy!
