RESOLUTION NO. 2026-07

BE IT RESOLVED BY THE CHAIRPERSON AND COUNTY BOARD OF COMMISSIONERS OF THE COUNTY OF MORRILL, NEBRASKA, as follows:

WHEREAS Neb. Rev. Stat. § 39-2808 through § 39-2824 sets forth that a County may solicit and execute a design-build contract, progressive design-build contract, or a construction manager-general contractor contract for a public project.

WHEREAS Morrill County desires to solicit design-builders for a design-build contract to erect the Exhibit Hall and associated construction for the Morrill County Fairgrounds;

NOW, THEREFORE, BE IT RESOLVED BY THIS BOARD OF COUNTY COMMISSIONERS that Morrill County shall solicit Requests for Proposal (RFP) for a design-build contract for the Morrill County Fairgrounds Exhibit Hall, and all work associated therewith, subject to the terms and conditions set forth therein, and to include all requirements as set forth by Neb. Rev. Stat. § 39-2817 and Neb. Rev. Stat. § 39-2818;

BE IT FURTHER RESOLVED THAT PURSUANT TO Neb. Rev. Stat. § 39-2817, said RFP shall be published in a newspaper of statewide circulation at least thirty days prior to the deadline for receiving the request for qualifications, and sent by first-class mail to any construction manager upon request;

BE IT FURTHER RESOLVED THAT the County shall draft the RFP and publish it in accordance with the aforementioned statutory authority;

DATED THIS 10th DAY OF February, 2026

Bryan Hoerler, County Highway Superintendent, presented quotes for FirstNet devices to replace radios used in the road maintainers. He explained the devices function like a cell phone but provide better signal in areas with poor service and operates like a push-to-talk radio, allowing communication with all staff or individual foreman. He noted that FirstNet has numerous towers in the area, which may improve coverage. The cost for 20 devices would be \$0.99 per unit; however, surcharges and fees for the radio portion would total approximately \$579.80 per month. Bryan also stated that during a storm event, FirstNet would deploy a mobile unit, as county road personnel would be considered a priority. The devices include GPS capabilities to track locations. The Board recommended requesting a trial period to determine effectiveness in areas with limited service before we enter a contract.

The Board reported on meetings they had attended. Schmidt reported that he did not have any meetings but stated that he talked to Bridgeport Public Schools about County Government Day. Batterman attended the Panhandle Public Health annual meeting and the Community Health Improvement meeting to discuss community improvement. She also attended Region I Advisory Board and Foundation Board meetings. The board received opioid grant funding and will allocate \$2,500 each to send Jason and Stephanie Perkins to South Carolina for training on working with incarcerated individuals experiencing drug-related crises. Additionally, the Attorney General has signed the contract for the Crisis Stabilization Center, allowing the project to proceed. The board also allocated \$100,000 of the grant towards a mobile crisis unit, which is expected to be operational in the coming weeks. Metz attended CAPWN Board meeting, which oversees a health and dentistry clinic and coordinates with other counties to accept inmates as needed. Services are income-based, and Milo Cardenas, Morrill County Sheriff, will review whether the county could save money using the clinic. He also attended the Fire District meeting, where a mill levy increase will appear on the May ballot, projected to generate \$360,000 annually.

There being no further discussion, Chairman Metz adjourned the meeting at 8:28 A.M. Next meeting will be Tuesday, February 24, 2026.
