

Information for New Residents

Town of Milford

121 S. Main St.

Milford, In 46542

Utility Bills

Water and Sewer bills are due by the 15th of every month. Deposits are required and vary depending on the type of property. Payments can be made by mail, in person, and in our drop box. We accept cash, check or money order. We cannot accept debit or credit cards.

Trash Pickup

Garbage is picked up every Thursday. All trash must be in the Sweetheimer trash can, the cans will hold up to 6 trash bags and that is what the town contracts for. There is no monthly fee for trash pickup. If you have questions about a large item for pickup, please call Sweetheimer directly at 574-594-5142.

Yard Waste & Brush

The Street Department regularly pickup yard waste on Mondays, unless something else should take the priority, such as grass clippings and leaves, as well as brush. **All brush must be cut up in pieces no longer than six feet and must be no larger than 3" in diameter and stacked at the edge of the curb or street, not on the street.** All leaves must be put in piles at the edge of the curb or street during leaf season, otherwise they need to be in plastic bags or boxes. There are to be no sticks or stones or toys in the piles of leaves. These items damage the town's equipment. Snow is not to be pushed into the street.

Spring and Fall Clean-Up

The Town of Milford holds a spring and fall clean-up in the months of April and September every year. This gives residents the opportunity to bring their large items to the shop for disposal. No appliances with Freon and no electronics/TVs etc. Call Steven for any questions at 574-518-0567.
