4pm to 6pm - Tech Inspection

Friday, August 18th      8:00am to 2:30pm

9:00am to 9:30am - MANDATORY driver's meeting  
9:30am to Noon, 12:30pm to 2:30pm - Autocross

On Friday all drivers will also pull a work assignment. You will be protecting onlookers from wandering onto the course (or protecting the course from wanderers), rescuing and re-setting cones, calling in penalties, or other jobs that will help make the event successful. Duties will be assigned ahead of time and you **MUST** work for your run times to count. If you do not check-in for your work assignment, your times will be disqualified. If you're driving in the first heat, you'll be working in the second heat and vice versa (unless you've been assigned to set-up at the beginning of the day, or clean-up at the end of the day). For the course walk-through, take as many walk-throughs as possible to cement the layout in your mind before you attempt to drive it. After the walk-through is a MANDATORY driver's meeting. There will be much information at this meeting - if you do not understand something, feel free to ask questions during the session. You may bring your own food and drink, but **ABSOLUTELY NO ALCOHOL IS PERMITTED AT THE EVENT!**
