

## **BE Watchful & STAND**

January 21st, 2021

Beloved Heart Dwellers, cleave to the Lord, pray, and hope for this nation. The battle is not lost, rather it is in full progress. Let the peace you conduct yourself with, declare to everyone that God is in control, because He is. Amen.

Dear Family, I want you to remember the word the Lord gave me before all of this began. David's son Absalom won the hearts of the people behind his father's back and had himself declared king. David was forced to flee his palace and go into the wilderness with hand-picked, chosen warriors.

Scripture says that Absalom was a beautiful and unblemished man, and His hair weighed 6 pounds every year when he cut it. But his vanity was his undoing when the Lord allowed the donkey, he was riding on to go beneath a stout tree branch where his hair was caught, and he was left dangling while the donkey kept going. When David's general came upon him, he thrust him through with 3 spears to the heart. Absalom reigned for a short time and the kingdom was returned to David, who finished his reign in peace. The Lord has again and again referred to President Donald Trump as His King David.

Mother Elisha shared her readings from Scripture: I Maccabees 4:26-60 Victory and purification and rededication of the temple. The book of Maccabees, which you will find in the Catholic bible, or in the Jerusalem bible as well, is full of situations where the white hats were outnumbered by thousands, but still they routed their enemies and restored the Temple. And I cling to these words of Scripture, as promises from God that good will finally overpower the evil. And I wish for you to do so as well. Even now, Ezekiel is getting readings from the Scriptures that all that is hidden will be revealed, what is hidden will come to the light and it will be revealed. So, I am encouraging you to stand on these words and these promises and wait on the Lord in a posture of prayer, thanksgiving, and intercession.

Admittedly I have been keeping a close eye on the proceedings on the internet, praying for everything that comes up. Of course, I felt a little guilty about seeking the underground news, so I came to prayer sheepishly this morning and my sweet Jesus, I saw Him in the spirit almost nose to nose with me came to me saying gently, "*Can we talk?*"

I answered Him and I said, You mean You still want to talk to me after the way I have been glued to recent events on the internet?

Jesus answered, "*Yes My Love, now more than ever. You have nothing to fear about your nation, as long as you and others stay in a posture of intercession. Beloved Heart*

*Dwellers do not drift off into the world during this time period. It is critical. I would like to say any other time period as well and this could be the beginning of a better habit. A better habit than running to the news. Your continual vigilance and intercession are needed. You indeed have two presidents, but not for long. There is going to be an overhaul in your government, but not to become Communist, rather to become a True Republic. And when the Lord said you will indeed have two presidents, He was referring to a prophecy Kim Clement gave on April the fourth in Seattle, Washington in 2008." And they shall say, 'But now there is a second president. How can we have two presidents?' An unusual thing isn't it?" says the Spirit of the Lord. "Why would it be that one with a double mind would stand up and face the people? "No, they shall say 'We have two presidents, what do we do now?' "Fear not, for God says: "As I promised before, this is my nation, and I will change things according to the time and season, and I told you now in spring. I will expose and reveal things that have been hidden, so that my nation can move into this next election and to the next phase with victory, and honor and glory" says the Lord of Hosts. Kim Clement-*

I have great great respect for him, even though he has gone on to be with the Lord. And so, this situation we are in now in this country, has been prophesied in 2008. Interesting.

The Lord Jesus continued, *"You should know by now, the character of the man, Donald Trump. He put his families lives on the line to serve this country and make the necessary changes. He would awake each day knowing that it could be his last on earth, and even knowing that he might never see his beloved wife or daughter again alive. In spite of all this, he persevered, he took that chance, and he trusted Me. Have I let him down? No, I have protected him and his family from all the assassination attempts. Which I think were about twenty-six, the last time I heard.*

*"Knowing this, you should be able to surmise that he is not going to leave a job half done. That is not in his nature, nor is it in the best interests of his family in the future in this nation. The world is full of many dangers right now. There are many unknowns. This is why I am asking for your continued prayers. I know it is not easy to continue in prayer, I know you become weary, but I will sustain you if only you will ask and resolve yourself to this great work of rebirthing a nation.*

*"The old will be destroyed, the new will arise, but not without casualties. I know Clare, you are wondering about the Rapture timing and the establishment of righteousness in this nation. I know the conflict in your heart, yet I am calling upon you to abandon your attachment to this difficulty in your reasoning. I assure you that as long as you stay in the posture of prayer for the world, this giant question mark will be resolved. It is not up to Me to draw the line on the timing, and you must try to understand that many elements feed into My Father's decision.*

*"The main point is that you must all be in a posture of readiness, actively doing the jobs you have been commissioned to carry out, full time, without laxity, loving your brother as you love yourself, and taking care of others, whether it be food, clothing, prayers, teachings, etc. etc. These are works of mercy and you must be busy about My business,*

*otherwise you will be left behind. No more slackness, apply yourselves and be ready at a moment's notice to be taken up and leave all that is in this world behind. Those who live only for themselves will be left behind.*

*Be in constant readiness to face Me dear ones. Examine your conscience every day and see if there be any evil or divisive way in your heart. Daily repentance is of the utmost importance. All of you sin several times a day, either in your attitudes or hidden thoughts or neglected duties. Keep yourself clean and as you do, I will empower you with the grace to sin no more.*

*"Do not be slipshod in your duties and service to Me. There may yet be surprises for you, so much depends upon prayer. When you do not know what to pray, pray in tongues, pray for the ones administering your country that they will have a change of heart. I do not wish for any to perish. And if you knew how they were raised, you would have far more compassion for them.*

*And to My faithful ones I say, "I know your weariness and you are not alone, I am sustaining you every day, and you can count on Me to continue to sustain you. Call upon Me, collapse at My feet if you have to, but above all things, know that I am receiving your sufferings to bring about change, you may offer them to Me like sacks of golden coins, because their value is great." And that was the end of His message.*

And to conclude I really want to give you hope, and God's word to stand on. I have been getting these same Scriptures for the Lord's Supper day in and day out. At least six different people have come to me with these same readings, multiple times, from the community here, in the last few days. The Lord is still telling us, something is coming.

Matthew 24:32

32. Now learn this lesson from the fig tree: As soon as its branches become tender and sprout leaves, you know that summer is near. 33. So also, when you see all these things, you will know that He is near, right at the door. 34. Truly I tell you, this generation (that means Donald's and mine, we were both born in 1946) will not pass away until all these things have happened. 35. Heaven and earth will pass away, but My words will never pass away.

and Luke 21:34

34. But watch yourselves, or your hearts will be weighed down by dissipation, and pray that you may have the strength to escape all that is about to happen and to stand before the Son of Man."

And the last Scripture- And these are samplings from everyone's readings here on the Refuge beginning at Mark 13.

36. No one knows about that day or hour, not even the angels in heaven, nor the Son,

but only the Father. 37.As it was in the days of Noah, so will it be at the coming of the Son of Man. 38.For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark. 39.And they were oblivious, until the flood came and swept them all away. So, will it be at the coming of the Son of Man. 40.Two men will be in the field: one will be taken and the other left. 41.Two women will be grinding at the mill: one will be taken and the other left.42.Therefore keep watch, because you do not know the day on which your Lord will come43.But understand this: If the homeowner had known in which watch of the night the thief was coming, he would have kept watch and would not have let his house be broken into. 44.For this reason, you also must be ready, because the Son of Man will come at an hour you do not expect.

45.Who then is the faithful and wise servant, whom the master has put in charge of his household, to give the others their food at the proper time? 46.Blessed is that servant whose master finds him doing so when he returns. 47.Truly I tell you; he will put him in charge of all his possessions.

So, my dear ones, let us keep our hearts and our consciousness free from sin, repenting for anything we do, even the slightest thing that we do that is not pleasing to the Lord. And let us be faithful to our station in life and the gifts that is He is entrusted to us and most of all, let us be faithful to pray, to intercede and to offer fasts and sufferings for our president, Donald Trump, and his family.

The Lord bless you dear ones, stand, stand firm, stand in the word of the Lord.  
Amen.
