

SPANISH VALLEY WATER SEWER IMPROVEMENT DISTRICT

Regular Meeting -----June 11, 1986

The meeting was called to order by the Chairman, W. Darwin Gilger at 7:00 P.M. Other Board members present were Neal Dalton, George White and Linda McKinney. ATTENDANCE

Others present were Mrs. Nikki Bower, Dale Pierson, Marsha Modine and Roberta Highland.

Mrs. Bower stated she was at the meeting to tell the Board she would be catching up her back bill as soon as possible.

Roberta read the minutes of the meeting of May 28, 1986. Linda McKinney moved the minutes be approved as read. Neal seconded. MOTION CARRIED. MINUTES

Marsha explained that taxing agencies may no longer raise their mill levy 106%, and that the mill levy has been replaced with a "certified tax rate". The tax base has dropped over one million dollars the past year due to reassessment. The statutory tax rate for water purification and sewer processing is .0008. The tax rate we would need to receive in order to receive the same amount of tax dollars that we have budgeted for would be .000981. Since we cannot raise a statutory tax rate, we would have to change the budget amount, as you cannot ask for more taxes than you have on your budget. CERTIFIED TAX RATE

Linda Mckinney moved the proposed amended budget be adopted as is. Neal Dalton seconded. MOTION CARRIED. AMENDED BUDGET

George moved a certified tax rate of .001448 (.0008 for M & O plus .000648 P & I levies) be set for 1986 taxes to be collected in 1987. This does not exceed the certified tax rate and negates the need for a public hearing. Neal Dalton seconded. MOTION CARRIED. CERTIFIED TAX RATE
