

Village of Millerton

Dutchess County New York

JANUARY 2016

Happy New Year everyone. 2015 was quite a year in the Village of Millerton. We accomplished some much needed upgrades up on Traver Place. Big thanks to Jimmy, Cole and Ron for the drainage work and thank you to the towns of North East, Amenia, and Ancram for the help with the paving process. Thank you to VRI for handling the water problems brought on by the ridiculously cold temps last winter. We also replaced the sidewalk on the north side of Main Street from the 22 light to the Antique Center. We can chalk one up to our police force for administering CPR and saving a persons life with a response time of less than one minute. The business community and Townscape has really made Millerton a destination hotspot in the area. Last but not least, thank you to Amber and Jenn for making the office run as smooth as silk. I look forward to 2016.

Your Mayor,
Marty Markonic
