

The Academy

at Greenfield-Central

It's hard to believe we only have a little over 50 days of school remaining in the 2020/2021 school year! As we continue to mark days off the calendar, we want to make sure to keep you up-to-date with all that's going on at The Academy. As always, please contact any of our staff for questions or concerns regarding your child or our program. Thank you for your continued support!

Follow us for snapshots of all the wonderful happenings at the Academy!

The 2020/21 school year is our first year as a Simon Youth Academy school. This means we have access to amazing training opportunities and funding that are only available through this network of schools. We are very excited to be connected with such an amazing program that is spread across various states in the country! Each year, the Simon Youth Foundation (SYF) selects a National Administrator and Teacher-of-the-Year. We would like to be considered in this running of nominees. If you have a few moments to complete a nomination, we would love for our staff to be recognized for their tireless efforts and hard work. Please follow the link below to nominate a member of the Academy staff.

We appreciate the support!

<https://forms.gle/HirJWm2kbVNR2zm39>

The deadline to submit nominations is
MARCH 26.

IMPORTANT DATES TO REMEMBER:

- March 13-28th Spring Break
- April 14th-ASVAB testing
- May 26th-Academy graduation (in the high school auditorium)

“Everyone you meet is fighting a hard battle you know nothing about. BE KIND. ALWAYS.”

- Robin Williams

Student “Shout Outs”

Worthy mention

We have two juniors that will complete the required coursework for graduation a year early! We want to congratulate **Sarah Morales** and **Korrey Glenn** for their hard work and determination to finish early!

Thus far, 12 students have satisfied requirements for graduation this year. Several others are on the cusp of completing early...!!!!!!! We expect to have approximately 25 students graduate from The Academy this year!

Stories of Success

Congrats to **CHASE PERKINS** for being selected our Student-of-the-Month for the months of December/January!

Congrats to both **DALTON FANNING** & **KORREY GLENN** for being selected as our Students-of-the-Month for February!

“SOTMs” at The Academy receive a certificate (suitable for any refrigerator), a gift card and other special “goodies.”

Academy students broke an all-time 1st semester credit record this year. By Spring Break, we hope to be halfway to our goal of 220 second semester credits to break another record. On March 12, we will celebrate our accomplishments with some well-deserved pizza. We will also wrap up the 3rd quarter that day with the drawing of several gift cards - based on individual student progress/improvement.

Academy Faculty

Mr. Todd Grimes

Lead Teacher

**Please know to expect a call from us each day your child is absent and we have not heard from you or when your child is over 15 minutes late to their assigned session at The Academy.

Weekly Progress

Parents will receive weekly emails from our online learning platform, Edgenuity. These emails will let you know how much progress your child has made week to week.

As a reminder, we ask our students to meet a **25% minimum progress goal each week**. This will ensure that they earn at least 1 credit each month. Our goal is to graduate students on time.

Weekly progress monitoring is a way to ensure this goal is met for 100% of our students!
