

PLANETARY PARADE 2022

UNITED NATIONS W.H.O. PANDEMIC ACCORDS ALIGNMENTS

The purpose of this illustration is to depict the amazing Planetary Parade that is occurring in 2022. It started in March and will conclude approximately in June. The main reason why one is considering this phenomenon, is that one would like to correlated some special Geo-Political Events occurring on Earth at the same time-frame. This is especially the case dealing with the Word Health Organization W.H.O. Planetary Pandemic Accords. The May 22-28, 2022 Meeting will convene more than 190 Nations that will vote on giving the WHO Emergency Powers whenever a Pandemic is declared. Astonishingly, there are several Amendments that would give the UN Agency unprecedented Powers to overrule any National Sovereignty. One is looking at the possible Astronomical Correlation as to when and where one is increasingly convinced that every move of the Globalists and those behind such World Governing Bodies as the UN's WHO, schedules major decision-making events in relation to the Astronomical Alignments of the Sun, Moon and the Stars. The following observations will be make in this context, pertaining to the Planetary Parade of 2022 and such events as the COVID Plandemic, the Ukrainian War, the WHO Pandemic Treaty and now the coming Monkey Pox release of the Pathogen, just in time for the Emergency Powers to be enacted in November.
