

# THE NEW ATLANTIS RISING

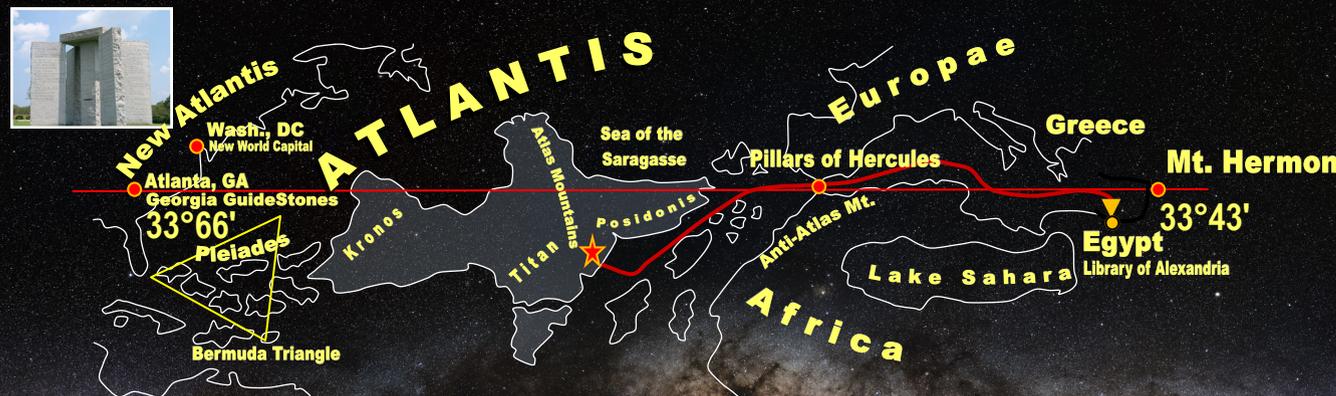

The last voyage of the Space Shuttle Atlantis occurred on JULY 8th, 2011. This last flight closed off the Shuttle Program in America. There seems to be some correlations amongst the possible meaning behind its symbol, flight number and Name. This is in reference to an Astro-Archeological point of view and the history of the Lost Continent of Atlantis. It is interesting and unusual that the Shuttle Program ends with the name Atlantis and its last Number flight is 33. Many see America/USA as the successor to Atlantis of the pre-Diluvian Age. Perhaps it is a marker of things to come and the end of America as well. Could an Extension Level Event help usher in a 'New World Order' as it did after Atlantis was destroyed? It is mythology that the destruction of Atlantis was caused by a supposed fly-by of Planet Nibiru. IF it is assumed that the Planet X in question does indeed have a 3600-year orbital cycle, not only would it place the Flood Event at around 5000BC but it would be due for a rendezvous with Earth again in the coming years. Since around AD 1, the Earth have been in the Age of Pisces, the constellation Aquarius will soon mark the dawn of the first the new Age of Aquarius or as in the resurrection of the Golden Age of Atlantis. The Precessional Cycle is caused by the drag from the Earth's rotation by the gravitational pull of the Sun, Moon, and planets. It is manifested in a slow changing of the Pole Star over a period of approximately 26,000 years. Precession is an astronomical term referring to the "wobble" in the Earth's rotation. This causes the stars to change their apparent positions relative to Earth by 1 degree every 72 years. As a result of this gradual rotation of the night sky, the constellations appear to move over one 'House', or 'AGE' every 2,100 years.

## THE COMING 5TH AGE NEW WORLD ORDER

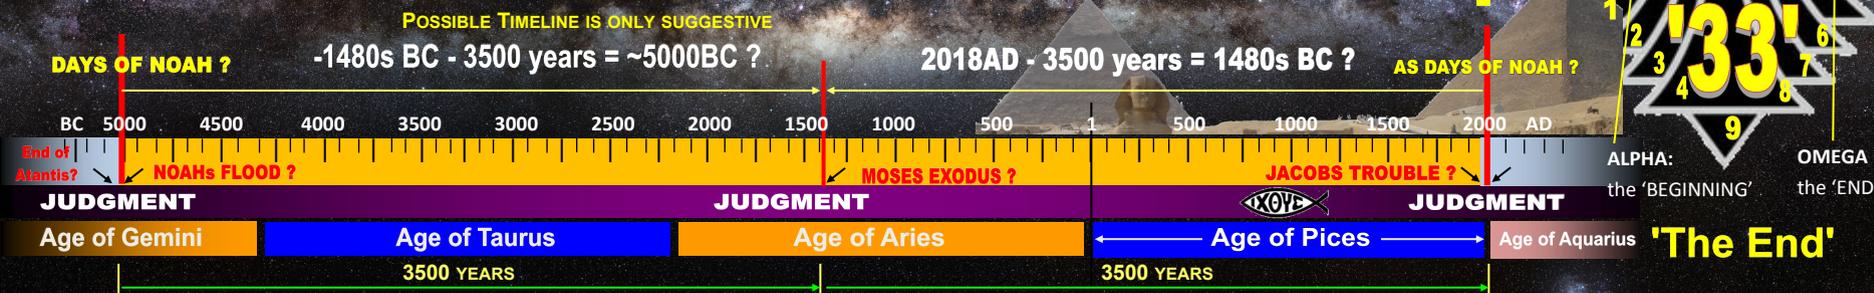

From the Greek, *Ἀτλαντὶς νῆσος*, 'Island of Atlas' was a legendary island first mentioned in Plato's *Timaeus* and *Critias*, written about 360 BC. Atlantis was said to be an advanced community outside the Pillars of Hercules, Straits of Gibraltar, Spain inhabited by an advanced race of demi-gods (Fallen Angels) and hybrid humans. It was said to possess technology of flight for example. Plato wrote that he had heard the story from Solon, who heard it from the Egyptian Priests. They attested that the knowledge and secrets of Atlantis were transferred to Egypt before the cataclysm that destroyed it. The nation was established by Poseidon, the God of the Sea (Lucifer). At the very center of the Atlantis was a hill and Temple to Poseidon. Inside was a gold statue of himself driving winged-horses. Atlantis became very corrupt and greedy, as Genesis 6 describes the condition of Fallen Man to the point that God YHWH pronounced Judgment on the prior Age. This was due to the level of evil, sin and the forbidden sexual exchanges between Fallen Angels and humans that spawned a hybrid human race of Giants for example. It is said that violent earthquakes shook the land that caused giant waves and thus the Golden Age of Atlantis sunk under the sea, possible due to Noah's Flood.

**THE SHUTTLE PROGRAM**  
The last mission of the STS-135, Atlantis is its 33rd. It was scheduled to last 12 days. The crest of the last shuttle is ironically an "Alpha and Omega", the Beginning and the End. It's not honoring Jesus Christ but the False Ones of the age-old Atlantean Lord Poseidon who is believed to be coming once again very soon on the scene to initiate and rule the 5th Age. Interestingly, few shuttle crews have just had 4 Astronaut crews. In the "Lost Book of Enki", there are also 4 major Astronauts (Fallen Angels) that first came from the Planet Nibiru: 1) Alalu, 2) Enki, 3) Enlil and 4) Ninmah, 3 male and 1 female as in the last Crew of Atlantis.

In the *Book of Enoch*, there is an identical account of the Biblical depiction of Fallen Angels stationed all over God's universes. Some are noted to have left their 'First Estate' as they joined up with the Rebellion of Lucifer/Satan. For example, in the book, *Semjaza* the Leader is the same one in both accounts of the Book of Enoch and the Lost Book of Enki. The Book of Enki is the attempt by Lucifer to give his account of the Creation chronicles of Mankind on Earth. This is more or less like of how YHWH dictated the Torah to Moses for 40 days. Enki took 40 days as well to render his version of Creation. These Fallen Angels of the Book of Enoch are part of the first 120 that landed in Mt. Hermon @ 33 degrees latitude.

The *Book of Enoch* which is referenced by Apostle Paul categorizes them as the "Sons of God" in Genesis 6. As in the Days of Noah, so it is now with extra-terrestrial galore about to make direct disclosure at some point. The Bible foretells of a mixing of clay with iron in the Last Days that will be as evil as it was in the Days of Noah. There will also be cataclysms to come as the Book of Revelation describes on Earth. In Genesis from the account of Moses and Joshua, there are striking parallel events of the coming Apocalypse of the Book of Revelation: Death, Hail mixed with fire, plagues, darkness (total eclipses), asteroids falling, men seeking to hide in caves. Perhaps in the near future, the conditions will be such that such beings will attempt to replicated their utopian 'Atlantis' as part of the deception to enslave humanity instead as their protocols state.
