

# ***Ed Samuel's Los Cabos Golf Adventure***

## ***September 3 - 11, 2019***

The turquoise waters of the Sea of Cortez, dramatic natural beauty of the desert against the deep blue of the Pacific Ocean and gorgeous sun-drenched beaches make Los Cabos a breathtaking backdrop for a very special golf adventure. Participants will be happy to know that Los Cabos holds a reputation as one of Mexico's safest resort areas, according to travel resource Fodor's. Boasting 14 golf courses with several others on the way, Los Cabos has become Mexico's Golf Capital. We do hope you will join our adventure and experience it for yourself.

Participants will stay at the award winning Hilton Los Cabos Beach and Golf Resort. The Hilton's large and pampering Los Cabos resort has 375 lushly-appointed rooms situated on the Sea of Cortés, as well as private beach access and a host of high-end amenities, including tennis courts and spa and fitness facilities. The Eforea Spa features a full menu of treatments, massages and beauty services. Fine dining options include the restaurants La Vista, El Meson, Fenicia, La Barca and the Madero Bar and Grill.

## **Golf**

**Cabo San Lucas Country Club** - Located 20 minutes from the Hilton and the only course in Los Cabos with views of the iconic sea arch and rock formations at Land's End. The Country Club's original 18-hole course was laid out by Roy Dye, brother of Pete Dye. However after much damage from tropical storm Lydia in September, 2017 the course has undergone a major renovation and is better than ever!

**Puerto Los Cabos** features a rare composite design by two of the sport's most legendary figures. At present, the club features two distinctive nines designed by Greg Norman and Jack Nicklaus. (Each nine offers a preview of a future 18-hole layout to be built by each architect). Both layouts are etched into rolling desert foothills back-dropped by the Sierra de la Laguna Mountains, with all 18 holes perched high above the Sea of Cortes, the pristine coastline and the resort's marina.

**Palmilla Golf Club** - is famous for 27 holes of amazing golf and spectacular vistas. It has been recognized as the "Grand Dame of Los Cabos golf." As the first Jack Nicklaus Signature design in Latin America, the masterfully conceived golf course is stunning and challenging. It is a world-class masterpiece on the world stage, and is the best of Cabo golf in Los Cabos. This Cabo golf course features spectacular vistas of the Sea of Cortez from all 27 holes. Palmilla Golf Club features a Mexican decor clubhouse, on-site

**Quivira Golf Club** - Built on one of the most stunning settings in the world, at the tip of the Baja Peninsula's sheer granite cliffs, huge windswept dunes and rolling desert foothills 10 minutes from downtown Cabo San Lucas, golf legend Jack Nicklaus designed a course that has redefined the Cabo golf experience. Created as an exclusive amenity for owners and guests of Quivira Los Cabos, this world-class layout offers dazzling views and breathtaking drops from tee to fairway. In a destination revered for its unique ocean-desert-mountain setting, Quivira offers more oceanfront exposure than any other course in Los Cabos, with views of the ocean from every hole.

While the highest point within the Quivira community is close to 700 feet high, the lowest point on the golf course is the 18th green, which is directly on the beach at about 30 feet above sea level. The highest point on the course is 380 feet, on the 15th hole. One of the most beautiful drives in golf (.7 miles) is taking the cart path from the fourth green to fifth tee, with an elevation change from 50 feet above sea level to 285 feet above sea level.

Situated beside the clubhouse at Quivira is one of the rarest sights in all of golf: A spacious, double-sided practice facility that parallels the ocean, right on the sandy beach and with the rolling surf a mere wedge shot away from the verdant turf-grass. Practice facilities include: a practice bunkers and putting greens, an 18-hole putting course, a Short game practice area and if you need clubs you can rent Taylor-Made equipment (hourly access available).

As an all-inclusive facility, Quivira Golf Club, home of a celebrated Jack Nicklaus Signature course, ensures that golfers are properly nourished and refreshed from start to finish. Behind the tee boxes at the fifth hole where, at 275 feet above the sea with expansive ocean views, the "Cliffs" comfort station awaits with ready-to-go refreshments. A halfway house situated near the eighth green, called the

“Oasis,” showcases the culinary talents of the resort’s chefs, with flavorful regional dishes and inventive takes on classic Baja cuisine. In addition, a full bar, including a deluxe tequila bar, features blanco, reposado and anejo tequilas. Players can refresh themselves a final time at the ‘Cañada’ comfort station, next to the 16th tee, which sits high above the course and marks the layout’s return home. This round of golf at Quivira will be one of the highlights of your Los Cabos Golf Adventure!

**Cabo del Sol Desert Course** - Designed by Tom Weiskopf— the master of desert golf— the Desert Course is artfully sculpted across the natural beauty of the Baja. Since 2001, golfers have marveled at its melding of desert and ocean, with canyon-like arroyos that are as awe-inspiring as they are challenging. Views of the ocean from all 18 holes create a breathtaking backdrop for your round, while its undulating greens, changes in elevation and dramatic bunkering make the Desert Course a distinguished piece of the Cabo del Sol golf experience.

**TRAVEL+LEISURE GOLF & CIGAR AFICIONADO** have both called Palmilla the **BEST GOLF COURSE IN MEXICO** And

**CONDE NAST TRAVELER, GOLFWEEK, GREAT GOLF RESORTS** have rated it in their **TOP 100**

Los Cabos is one of those rare places where the desert meets the sea and although this place is recognized as a world class fishing destination, we will visit for the golf. For those who join us, you'll be glad you did!
