Upsets mark final week

By TIM HOSTETTER Sports Writer

The last week of the regular high school football season brought the expected and the unexpected.

The expected came from the seven No. 1 teams in The Salina Journal's rankings as each team rolled into the playoffs with big wins.

Two of the biggest upsets, however, were produced by Goodland and Eastern Heights.

Inconsistent and error-plagued Goodland, with a 5-3 record, not only stunned unbeaten Colby but shut them out, 12-0, to win Class 4A's District 16.

Eastern Heights upset second-ranked Tipton, 30-12, to win the Eight-Man Division II District 9 title.

For the third time in four years, Goodland will play Norton in the first round of the state playoffs. The game will be one of 48 being played tonight at 7:30 in Classes' 4A, 3A, 2-1A, and Eight-Man II.

Goodland hasn't beaten Norton in the teams' previous two encounters, but Cowboy head coach Bob Sondergaard believes the No. 1-ranked Bluejays might be feeling some pressure tonight.

"I remember two years ago when Norton came here with a 6-3 record and we were 8-1, and they beat us 6-0 in a snow storm. We thought we had a very talented team that season, but you just never know what's going to happen in the playoffs," Sondergaard said.

The Cowboys struggled most of the season with turnovers and a 4-2 defense that didn't function as planned. The turnover bug was finally taken care of against Colby as the Cowboys didn't turn the ball over once.

"Our kids are more fitted to a man-type defense, so the last two games, we switched to the 6-2 and it really paid off. The kids have really come around," Sondergaard said.

Sondergaard, who was surprised his team shut out Colby's high-powered offense, believes his team can stay with Norton.

"The last two times we've played them, I've been impressed with their defense. I think that's what has carried them to the playoffs," he said.

Johnson wants traded TORONTO (AP) — Designated hitter Cliff Johnson has requested a trade from the Toronto Blue Jays, baseball's American League East champions.

Johnson, 38, filed his trade notice Monday with the Major League Baseball Players Association and union executive Mark Belanger said from New York the much-travelled slugger was the only player in the major leagues to file such a demand before Monday's deadline.

ried them the last several years, but they do some great things offensively," Sondergaard said.

Eastern Heights will open the state playoffs at home (in Agra) against Lucas-Luray tonight.

Eastern Heights, 7-2, did what it had to do to beat Tipton — the Mustangs slowed all-state running back Jon Becker (a sub-par 90 yards), then stopped the Cardinals' passing game triggered by Joe Koenigsman.

Like Sondergaard, EHHS first-year head coach Bob James felt at the start of the season that he had the talent to produce a playoff team.

"The key for this team was mental," James said. "We have a good group of kids, we just had to convince them they were good."

Eastern Heights, which last made the playoffs in 1982, gave powerful Northern Valley one of its toughest games before losing, 28-6.

James points to his team's win over Logan on Oct. 4 as a turnaround mentally.

"We came from behind to tie, then won in overtime," James said. "Even though we came back flat the next week and lost to Lenora, the kids realized what they could do if they didn't quit."

As mentioned earlier, all the top-ranked teams won last Friday and remained in their top spots in The Journal's final rankings.

Midway-Denton finished No. 1 in Eight-Man II and will play at unbeaten and fifth-ranked Wakefield tonight; Coldwater is first in Eight-Man I and on a collision course with second-ranked and unbeaten Mankato for the state title; Pittsburg Colgan — winner of 22 straight games — is ranked No. 1 in 2-1A; Clifton-Clyde is top-ranked in 3A and the only unbeaten team in that class; Norton, 9-0, edged out Mulvane for the No. 1 spot in Class 4A; Wichita-Kapauun Mt. Carmel, 9-0, finished as the top team in 5A and Lawrence, also 9-0, is No. 1 in 6A and will attempt to win back-to-back titles in the state's largest classification.

As mentioned earlier, all the top-ranked teams won last Friday and remained in their top spots in The Journal's final rankings.

deficit to beat Natoma, 22-20 and earn a playoff berth is at surprising Eastern Heights. The Mustangs knocked previously unbeaten and second-ranked Tipton out of the playoff picture last Friday with a convincing 30-12 win.

Lenora has the tough task of playing at second-ranked Brewster, which has won eight straight games. Bazine is at Grinnell in the other eight-man game involving area schools. Grinnell posted a 6-3 record despite fielding just nine players.
