**“GO GET WET!”**  
*‘THE JOY OF THE LORD CAN BE SCARY’*

Hebrews 11:1-3 Living by faith is exciting.

Joshua 3:8. Jump in, the water is fine.  
Visions.. Trials.. Victories!

*Epiphanies* include:

1. Listening... Paying attention and hearing the Spirit of God.
2. Belief... Having absolute faith and trust in the experience of God.
3. Action... Take positive action that changes your life.

*The step of faith.* So many times we are waiting on God.., when God is waiting on us!  
Faith is taking the first step before God reveals the second step.  
We have to step into our Jordan River.

“Scripture is law, wrapped in grace.” w/k.

*Kingdom praying:*

- 10-20 seconds.
- Belly breath.
- Kingdom to me. (Righteousness, peace, joy).
- Kingdom through me. (Righteousness, peace and joy to others).
- Listen for an insight or answer. (You will get one! Guaranteed).
- NOW DO IT!

“The joy of the Lord can be scary.” w/k

Two reasons why people do not hear God:

One, they don’t know His voice.

Two, people would rather be safe than scared.
