

Refreshments - Snacks

We are involved with the snack-side of refreshments for our AARP Meetings.

We maintain a sign-up sheet for members to volunteer to bring snacks for forthcoming meetings.

We call those who have signed up to remind them the week prior to the meeting. There are several members who frequently bring snacks without signing up. If it looks like we won't have enough, Alice and I usually bring some ourselves.

On the day of the meeting, we usually arrive between 8 and 8:30.

We help out Marianne and Dave as needed. We set up the refreshment table. We help to move furniture around when necessary and also help set up the Silent Auction.

By 9:30, we have the refreshments unwrapped and ready for the members. We attend to the refreshment table until the meeting starts at 10:00.

After the meeting, we help with clearing away and clean-up.
