■ Customer's Own Material

Customers can ship their own material to Golden Technologies for the perfect match to their decor! Lead times and upcharges will apply. Consult your authorized Golden dealer or the Golden Customer Service Department for more information.

■ CRYPTON®

Crypton fabric is available on select Golden models and is standard on the PR-451 Transfer Chair. Crypton fabrics offer a moisture barrier and an antimicrobial formula. Crypton can be disinfected with a 10% bleach solution and is environmentally safe!

■ Fabric Protectant

Select Golden fabrics come standard with a stain protectant included in the fabric. For the fabrics that do not come standard with stain protectant, Golden can apply that feature to the fabric of a lift chair before it is shipped from the factory. Consult your authorized Golden dealer or the Golden Customer Service Department for more information.

*Straight lift option must be set at our factory prior to shipping for these models.
