

Well we were able to have a regular meeting finally!! Thanks to the Proud Vets MC for the use of their club house. And the great lunch !

Meeting was called to order a noon even with the snowy roads we still had a good turn out . Except Dan Kenzie had the county call him in to plow roads.

Got to finish our voting for Co-RC congratulations George Humphrey.

Decussed that government wants to put helmets back on our heads! Call your reps and tell them how you feel about that!!

ABATE will continue the fight with insurance.

Talked about getting some ideas for a raffle or some way to support the state this year. Jinx and Dave will check with store in Jackson to see if the raffle will be possible. Welcome two new members
