

## SWIFT CURRENT BUY LOCAL FOR BAND FUNDRAISER

Dear Band Families:

Welcome to our Spring Band Fundraiser. Through our spring fundraising endeavors, we are also trying to support local small business. We have recruited 7 local small businesses that have agreed to support us back which include Urban Ground, Olea, Prairie Field Honey, Prairie Soul, Sentiments, Wine Creek and Trevor's Piano Tuning. Sales will earn Music Miles for families to offset costs of music/band trips once they resume. Participation in SCBPA fundraisers is optional.

The goal of this fundraiser is for the band students/parents to sell Gift Certificates for these businesses and in return the Swift Current Band Program will get cash back when the SCBPA purchases the gift certificates for your customers. **We are requesting with current health restrictions that you will sell these strictly through email, text, and social media. Door to Door selling is NOT permitted.**

- Urban Ground is selling us \$20 Gift Certificates.
- Olea is selling us \$30 and \$50 Gift Certificates which are only valid on oils and vinegars 200mL and up.
