## Advisements

### Your towing vehicle:

- Must be equipped with a full hard top if it is a sport utility type vehicle. If the top or any portion of the top is removed, or is not a hard top, utility type vehicle cannot be used for towing U-Haul equipment. A full hard top must be in place.
- Must weigh at least 750 lbs. more than the vehicle being towed
- Must have Class 2 tow hitch (3,500 lbs. minimum weight-carrying rating)
- Must have 1-7/8", 2" or 2-1/8" hitch ball (3,500 lbs. minimum)
- Must not exceed maximum allowable hitch ball height 25"
- Must have external mirrors on both sides
- Must have fully operational lighting
- Tow dolly lighting must be operational at all times, day and night, loaded or unloaded
