This Month's Program

Our speaker for the Wednesday, November 11, 2015 will be: No speaker this month

Dick's Corner

I will not be attending the November meeting, as I will be representing the club at the first general membership meeting of the Coastal Conservation Association. I will provide information about that meeting, probably in an email since our December meeting is our annual Christmas Banquet. **Happy Thanksgiving** to all.

I will also make myself available for a casting seminar at the Rose bowl, on the morning of November 15, if sufficient interest is shown. If you are interested in enhancing your ability to get a bait away from the boat, or the shore, I can almost guarantee positive results. You can contact me by email dpgiuliani@aol.com or by phone, 323 810-3958. I can also plan an alternative date if you give me a second date choice. Looking forward to hearing from you.dick

November 2015 President's Message

Well fellow anglers, the year is fast coming to an end. This month we will have no speakers because we will have and certify the elections. We will also discuss and vote on any proposed changes to the bylaws.

To those who won trophies last year for Angler of the Year, Freshwater Angler and Sportsman of the Year, please bring the traveling trophy in so I can arrange to have them engraved by the Awards Banquet.

Finally as we have no speaker we will have the November Swap Meet. If you have anything you wish buy, sell or trade, please bring your items to the meeting so you can describe it and possibly sell it.

The offices open are:

SECRETARIES REPORT

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

CLUB ROSTER

Club Rosters should be available from Membership Chairman Pierre Sycip if you need one. Just ask Pierre for an updated 2015 Roster.

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2015 Membership Drive

The 2015 Membership Drive is on!!!! Pierre will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2015 are the same as last year: \$45 for an individual and \$60 for a family membership. That entitles you to one T-shirt for individuals and 2 T-Shirts for family members.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2015, your 2014 membership card is void. In order to receive the discount, a current 2015 membership card will be required. All store managers aware of this and there are **NO XCEPTIONS**.

Website Update

All of the updates have been entered into the Website. If you have anything you would like to add, e-mail it to newsletter@turnersrodandreeclub.com.

NOTICE OF CLUB T SHIRT CHANGE

At the September 7th Turners Club Board meeting, it was decided that the club would end the annual practice of supplying a new Tee shirt to every regular member as part of the annual membership. The cost of the shirts has risen over the years and there is no longer a \$10 Tee shirt to be had despite the discount rates we have received for many years from Leadmasters company. Shirts go higher than \$16 each sometimes. If you remember, we stopped providing shirts to our honorary members a few years back with the option of allowing them to purchase the shirts at a discounted rate. The Board did not want to raise the dues this year to cover the cost of the shirts. Many members have expressed that they have plenty of tee shirts as well.

The plan is to have a Club tee shirt available for purchase by the members. Once we have our own design, we may be able to expand it to other types of shirts and clothing items. I know some have been asking for a jacket also. By using a digital printing process, the design can be kept on file for many years without the need for "making new screens" and without the additional cost of new screens every year. Also this allows a faster turnaround time as digitalized companies have only a 10 day turnaround time on orders.

This is where the members are requested to participate. We need to have a design for the back of the shirt that is representative of this fishing club. We want to be able to identify the Club on the back of the shirt as well. The logo above the pocket will remain the same, except the year will no longer be there. We are asking those members interested to submit their own original designs for the club shirt. Final designs will need to be submitted by January 1, 2016. Then 1 design will be chosen. Please do not submit any copyrighted designs. Let's get a really awesome design of our own.

Please submit your design to Secretary Denise Davis. This is your chance to be part of the Club History book!

Secretary

Members Reports

Denise & William Davis fished the Marin Coast & Farallons out of Emeryville Sporting fishing at the end of September.

Friend of Rollo Trip By Don Udlock

On Sept 22 several members of our fishing club accompanied 30 sixth grade students from Rockdale elementary school on a Friends of Rollo fishing trip out of 22 St landing. We met at about 7:00 AM on the Monte Carlo for a day of helping kids go fishing. We assembled 35 rods with a dropper loop and waited for the kids. The bus arrived at 9:30 (late as usual) so we went bottom fishing instead of looking for yellowtail. It was a perfect day, flat ocean, very little breeze or current and blue skies. After some instructions from the crew they were ready to go. It didn't take the kids very long to get used to the boat, as usual they headed to the bait tank, and one boy found a small dead anchovy and offered it to one of the girls. She wanted nothing to do with it, told him to get away with that thing (more about her later). The kids caught on very quickly, put on an anchovy or a piece of cut squid and send it to the bottom Very soon rockfish started coming up, the volunteer would unhook it and the kid would put it into the ice chest We were in about 300 feet of water and a couple kids said their arms were getting tired, but none of them slowed down. Back to the girl that would not touch the anchovy, Later I watched her go to the bait tank, get an anchovy, put it on the hook and send it to the bottom. In a short while she reeled up a fish, had it taken off the hook, and put it into the ice chest. Then she did it all over again. She told me what a wonderful day she was having. Some of the kids will surely be fishers, one said he'd caught 21, another 17 and so on .Well, it wasn't quite that way The deckhand filleted fish till we arrived back at the dock. I put 10 to 12 fillets into 35 bags. In total they caught about 250 fish, about 8 around. The price of the trip for each kid was to write a one page story about their day, I was able to read all of them before I mailed them to F.O.R. One thing common to all of them was thank you to Friends of Rollo, the crew, the cook (hot dogs) and the volunteers. Most said it was their first time on a boat or catching a fish. All of them said it was the best field trip ever.

All of us had a great time with the kids. As usual they all got along well with each other did as they were supposed to and had a day to remember for a long time. Thank you to all of the volunteers that came along. Back at the school I spoke with the principal about next fall, she is all for another trip. If you think you might like to come along, now is the time to begin thinking about it Don
