

Veterinary Assistant - Crossroads Animal Hospital – Newnan, GA

Crossroads Animal Hospital is located in Newnan, Georgia about 40 miles south west of Atlanta. The area is in great proximity to a major city, but yet we still have that homey, small town feel. With fantastic shopping and pet friendly parks everywhere, you will feel right at home in Newnan.

We are a busy but efficient, seven doctor small animal hospital that has been serving the community since 1994. We have a great set of doctors and a dedicated support staff that provide a higher quality of medicine to our clients and their furry loved ones whose “paws are in the best hands!” We have a team that is dedicated to always increasing their knowledge in veterinary medicine so we can meet the needs of our clients and patients. If you possess a positive attitude, efficiency, and empathy consider applying today!

- Assist doctors with appointments, surgery, and client education per hospital policy.
- Perform initial evaluation of the pet's condition and advise doctor regarding nature of visit, preventative care due and client concerns.
- Obtain and prepare laboratory samples as requested by the veterinarian, i.e. urine, fecal and ear cytology.
- Notify the doctor of lab results in a timely fashion.
- Restrain animals in a safe, efficient and compassionate manner during examinations and procedures.
- Prepare and set up for surgical procedures while utilizing knowledge of proper sterile field requirements.
- Monitor recovery of surgery patients and communicate with owners per hospital policy.
- Accurately prepare and dispense medications as directed by the doctor, ensuring that medications are added to the pet's record and appropriately charged to the client.
- Know vaccination guidelines within the hospital and administer vaccinations under the direction of the doctor.
- Monitor hospitalized pets and perform treatments as directed by the doctor.
- Utilize hospital computer systems to document medical records and communicate with clients and teammates.

Hospital Manager - Averill Animal Hospital – Marietta, GA

Averill Animal Hospital is a small animal hospital located in Marietta, GA that strives to obtain a warm and friendly atmosphere where clients and their pets feel at home and part of our family. We focus on face-to-face communication with our clients to make sure they are comfortable having their pet in our care. We offer laser therapy, some orthopedics, and concentrate on quality medicine. We pride ourselves in having our own, Dr. Nelson being certified "Fear Free". Come join our dedicated and compassionate team, where we always find a way to say "YES!".

Southern Veterinary Partners is an exciting, rapidly growing company dedicated to improving lives of pets, and people too, through personalized care. This serves the foundation for every decision that we make from striving to have exceptional client service to having the best people, processes, knowledge and tools that allow us to be better today than we were yesterday. As part of the SVP family, you will play an integral role in shaping the future of our organization.

The primary functions of the Hospital Manager include:

- Creating and maintaining a healthy and engaged hospital culture
- Successful management of all aspects of people development from training and on boarding to continued career development of our valued teammates
- Supporting the needs of the Doctors through coaching and execution of appropriate teammate scheduling, maintaining an appropriate client schedule and coaching the team on opportunities that will improve their skills and efficiency
- Hiring and appropriate staffing of the hospital
- Partnership with clients, ensuring a positive experience for them and their pets
- Proactively addressing client concerns as they arise
- Representing the hospital in the community through participation in local events as needed
- Meeting and exceeding agreed upon business goals and objectives
- Effective P&L management including appropriate management of Cost of Goods and labor

Requirements

- Previous P&L management experience which includes demonstrated success driving results and managing labor costs
- Experience with recruiting, interviewing and selecting high quality teammates
- Excellent communication skills with demonstrated success tailoring messages to various audiences
- Conflict management skills
- Experience leading a diverse work force and establishing a positive, "can do" team environment
- Experience leading in a customer focused veterinary practice, hospital or retail environment

Benefits

- Health Care Plan (Medical, Dental & Vision)
- Retirement Plan (401k)
- Life Insurance (Basic, Voluntary & AD&D)
- Short Term Disability
- Paid Time Off (Vacation & Public Holidays)
- Teladoc- FREE doctor access 24/7
- Discounted Veterinary Care
- EAP (Employee Assistance Program)
- A large network of over 1,000 veterinary professionals who all share common interest in promoting a collaborative working environment and individual career growth
- Opportunity to make an impact in your community while tackling a challenging, variety of tasks and the ability to help animals among a great team of people!
