

**INDIAN HILL BOOSTER ASSOCIATION**

Guidelines for a Request, 2020-2021

The Indian Hill Schools Booster Association encourages and supports the administration, faculty and coaches in their effort to offer the students of the Indian Hill school system the opportunity to participate in EXTRACURRICULAR activities.

Recurring annual funding requests should be made to the Booster Association by June 30, so they may be factored into the 2020-2021 budget. Impromptu requests will be accepted during the school year, but they should be submitted with sufficient notice so they may be presented at the next Board meeting.

- All athletic-related requests should be submitted to Mr. Brian Phelps, IH Athletic Director.
- Non- athletic requests should be submitted to your school principal.
- Completed forms can be emailed to Chris Swallow, Booster President at indianhillboosters@yahoo.com or put in the Booster Association mailbox located at IHHS.
- After a preliminary review, the request will be given to the Booster Board for consideration. You may be asked to come to a Booster Board meeting to provide further explanation and information regarding your request.
- Please do not make any commitment (financial or otherwise) until you have received formal approval from the Boosters following consideration of your request.
- The IH Booster Board typically meets the second Monday of each month at IHHS in the Multi-Purpose room; dates are listed on the school calendar. Please try to have your request in prior to the meeting so that any questions may be answered.
