

Feed on His Faithfulness!

The Bible defines everything in relation to God. Everything has true significance or insignificance in relation to God. God's very ESSENCE is faithfulness.

He is 100% reliable, 100% of the time.

He does not fail, forget, falter, or disappoint. He SAYS what He means and MEANS what He says, therefore HE DOES everything He says He will do.

God never ceases to be faithful. The Bible is full of the promises of God, and God is always faithful to keep his promises. God's faithfulness is seen in the fact that in everything He says and does, for God is true to Himself.

The fact is, that if He was not faithful He would not be God.

He can't be unfaithful. If He was unfaithful, He would deny Himself, He would topple from His throne and He would cease to be God. Peter says God is a faithful Creator and David encourages us to feed on the faithfulness of God.
