

Passing of Martin George (Marty) Danco

On April 3, 2025, the NC-HPA lost a dear friend and good pitcher, Martin (Marty) Danco. Marty loved competing and especially loved the friendships he made pitching horseshoes. He was 75 years old.

A service was held on April 26, at the Midstate Cremation & Funeral Service, where a special pitcher's trophy was given to the family by NC-HPA pitcher and friend Clarence Lassiter, Jr. Keep pitching those ringers, Marty!
