Business Licenses Are Here!

On Monday, October 25, 2021 the City Council approved Ordinance No. 715 requiring business licenses within the City limits of Cascade.

With the January 1, 2022 LOT implementation date approaching, an FAQ document along with a "Getting Started" packet was mailed on November 17th and the license application and voucher made available on line.

Business license applicants will need to submit completed business license and LOT application forms to the City Clerk by December 20, 2021.

EVERYTHING SNOW

Snow and Bermed Driveways

On 2/12/2016 this topic was discussed at a City Council Meeting and it was determined that to plow every driveway would not be feasible due to limited staff, budget constraints and fairness to tax payers.

Snow removal at the entrance to or on private property is the responsibility of the property owner.

Title 5-7-1

Removal of Snow, Slush, Mud

It is the responsibility of the Owners/Occupants of businesses fronting Main St. to remove snow, slush and mud from the sidewalks within 24 hours of occurrence.

Roads and Parking

The City of Cascade would like to remind you to keep the streets clear for snow removal operations.

Cascade City Code (7-2-2)
limits parking of motor vehicles on any street or alley within the City for a period of no longer than two (2) hours. The City of Cascade appreciates your cooperation helping keep our streets safe and clear of snow.
