

STORAGE BIN/CABINET GUIDELINES

> No prior approval is required for a patio storage bin/cabinet if it meets the following specifications:

- The storage bin/cabinet must sit completely on the patio and cannot sit on the lawn

Vertical storage bins/cabinets must be no taller than 80 inches, no wider than 55 inches and no deeper than 30 inches.

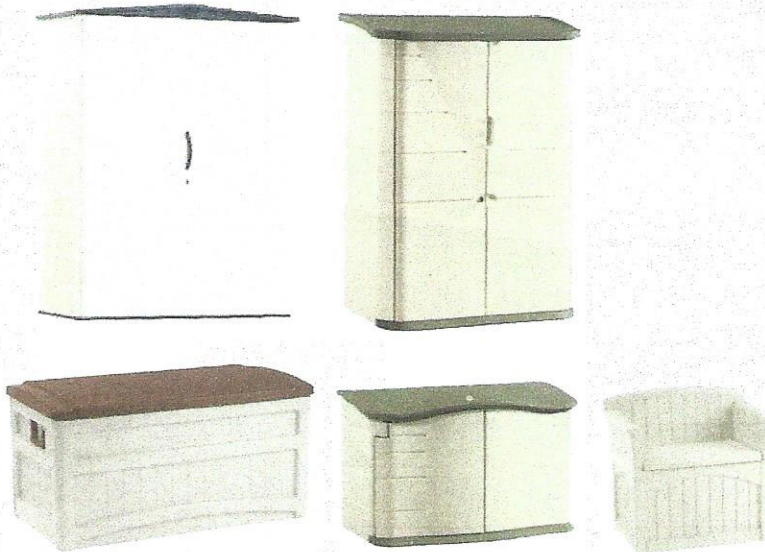

Horizontal storage bins/cabinets must be no taller than 35 inches, no wider than 55 inches and no deeper than 30 inches.

The storage bin/cabinet must be made of a durable weather resistant, maintenance free, UV resistant plastic or poly vinyl.

There is a limit of two(2) storage bins/cabinets on the patio.

> Examples of companies that manufacture such storage bins/cabinets would be Rubbermaid and Suncast.
