

TIP THE HAT

TIP THE HAT Campaign

- A campaign coordinator will contact you
- Please consider donating three days (one for each shift) to set up a table in front of a busy “one door” store and ask people to donate to MTK. To help us begin building, we ask that for 3 years you schedule 2 fundraiser events per year, then decrease to 1 fundraiser per year.
- We will supply a lock box, banner for the front of your table, flyers to give out, and tattoos/stickers to give to the kids.
- You will need to locate a place, supply the helmets for money collection, and donate your time.
- On the third day, or at the end of your fundraiser event, the coordinator will return and work with you. She/He will then take the money raised, give you a receipt and take your leftover flyers and the banner to pass on to the next fire station.
- Please join other firefighters in Mississippi and TIP THE HAT for the children who need you.
