General Information:

- Call Village for Final Inspection when all work is complete.
- For assistance finding underground utilities, constant J.U.L.I.E (see below)
- It is the contractor's and ultimately the owner's responsibility to know the Village Code provisions. The owner or his agent is responsible for constructing all permitted work in compliance with Village codes. Failure to identify any aspect of the proposed design not in compliance with Village code during plan review does not relieve the owner of the obligation to achieve full Village code compliance.

**Call J.U.L.I.E. 1-800-892-0123 or 811 to locate all underground utilities.
