

Harris County Emergency Services District No. 29

Resolution Adopting Policies For Capitalization and Depreciation of District Assets

THE STATE OF TEXAS

COUNTY OF HARRIS

WHEREAS, the Governmental Accounting Standards Board has released Statement No. 34 (“GASB34”);

WHEREAS, the Governmental Accounting Standards Board requires governments with revenues less than \$10 million to implement GASB 34 for fiscal years beginning after June 15, 2003;

WHEREAS, GASB 34 requires that all capital assets be reported in a statement of net assets at historical cost, including any ancillary costs, net of accumulated depreciation;

WHEREAS, accumulated depreciation for capital assets was not reported under the previous reporting model, and it is now necessary for the District to adopt policies for the capitalization and depreciation of District capital assets in order to enable compliance with GASB 34.

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF HARRIS COUNTY EMERGENCY SERVICES DISTRICT NO. 29 THAT:

I.

All capital assets with a useful life of two (2) years or more and a total cost of \$5,000 or more (including installation costs and professional fees) shall be capitalized and depreciated based upon the estimated useful life, per cent salvage value, and depreciation method set forth on Exhibit “A”, Depreciation Table, attached hereto and made a part hereof for all purposes.

II.

Expenditures that extend the useful lives of capital assets beyond their initial estimated useful lives (preservation costs) or that improve their efficiencies (improvements) or increase their capacity (additions) will be capitalized in accordance with these policies.

III.

This resolution shall be effective as of May 19, 2010. The President and Secretary are authorized to do all things necessary and proper to evidence the Board's adoption of this Resolution and to carry out the intent thereof.

PASSED AND ADOPTED THIS 19ND DAY MAY, 2010.

President, Board of Commissioners

ATTEST:

Secretary, Board of Commissioners
