Field Trip Policy/Center Closure

From time to time through out the school year Casa de Amigos will schedule educational field trips which will require the center to close on those days. It is our policy that each child must be transported by their own parents to and from the destination. It is also our policy that **parents must make alternate daycare arrangement for students not attending** the field trip since the center will be closed. No tuition refunds or deductions will be made for students that do not attend the field trip.
