FALL 2022 NEWSLETTER

PRESIDENT'S LETTER,

Well, it's showtime again. We have everything under control to have a successful show, but, as always, we need volunteers for the silent auction, tractor pull, and the registration table. If enough folks step up, no one will have to work very long. The silent auction will need the most help at the close of the auction.

There are some changes on entering and leaving the fairgrounds which should work out better. These were described in the recent email/letter which was sent out, such as remaining on the fair grounds until 4 p.m. each day.

Hopefully you can all come and bring your old iron to display. Set up will begin Thursday. You may also set up Friday or Saturday morning, as long as your vehicle is off the ground and parked in the parking lot by 9:00 a.m.
