Mr. McGraw announced the completion of the Deed of Dedication for Hemlock and Sugar Maple Drive.

Mr. Searle spoke of meetings he had attended and will be attending with the intent of helping businesses in the township.

Road Master, Kurt Booths, spoke with Ed Sumski from PennDot regarding road millings. All supervisors agreed to allow PennDot to use the township building for public meetings in order for the township to be a part of PennDots' Agility Program making the township eligible to receive road millings.

New Business: Mowing bids from Barhite Excavating and Zembrzycki Excavating were opened. After review a decision will be made at next month's meeting.

Township items valued below a total of \$2,000 will be auctioned off April 14, 2018.

Mr. Marcho spoke about the proposed wind turbines that may be erected in the township. Any questions can be given to the township secretary and answers will be attempted at next months meeting.

Mr. Marcho announced the Little Free Library that the Park and Recreation committee received through the United Way. It now hangs outside the daycare where you can "take a book, leave a book."

Mr. Searle mentioned PSATS resolutions that supervisors will be voting on at the upcoming convention regarding blighted properties, prevailing wage increase and wireless rights.

There was discussion on what could be done about speeding trucks along Rt. 106, Main Street and the effect they are having on the already eroding road. Mr. Pettinato said he would get involved in finding a solution to the speeding and Road Master, Kurt Booths will speak with PennDot again about the erosion along that road.
