[Directions to Dorland:](#)

Take I-15 North from San Diego area, I-15 South from LA area.
(Google for your own freeway directions.)

Exit I-15 at "79 SOUTH-Temecula Parkway"

If coming from the North, turn **left** under the freeway and proceed onto Temecula Parkway.

If coming from the South, turn **right** and proceed on Temecula Parkway.

Stay on **Temecula Parkway** (you should be heading southeast) and drive approx. 7.3 miles through the suburbs. (If you are driving through Old Town-antiques and restaurants-you have turned the wrong way.) The road narrows before you get to **Anza Road** (the last stoplight.) Continue a few miles.

When you pass **Pauba Road** (left intersection) the road curves slightly and there is an emergency parking (blue) phone pullout on the right.

As you come around that curve straight ahead **on the right** you will see the large white Dorland sign. (If you get to Vail Lake you have passed Dorland.) At the Dorland sign, turn **right** and come up the paved driveway to the top.
