

December 13, 2022

Segra Park

The Columbia Fireflies are a Minor League Baseball team based in Columbia, South Carolina. The team plays in the Class A South Atlantic League and is an affiliate of the New York Mets of the National League in Major League Baseball. The home stadium is Segra Park. It is the only professional baseball team in Columbia, and the first since the Capital City Bombers moved to Greenville, South Carolina, after the 2004 season.

Please RSVP to Brian Dossett or Bruce Suddeth so lunch can be provided accurately.

This event will be held rain or shine.

Morgan Hunter

Morgan was born and raised in Assumption, Illinois. She went to LakeLand College and The Ohio State University where she got her bachelors degree in turfgrass science. Morgan has previously done internships with the Chicago Cubs, Billings Mustangs, and the Indianapolis Indians. When she is not at work, she loves to do anything outdoors and is currently trying to get to all the Major League Stadiums.

Dr. Bert McCarty

Dr. McCarty is a Professor of Turfgrass Science and Management at Clemson University. He currently authors or co-authors fifteen books, including the latest turf text, *Best Management Practices for Carolina Sports Fields*. He is a recipient of the *Fred V. Grau Turfgrass Science Award* through the Crop Science Society of America as the top national and international turfgrass science researcher and is a *Societal Fellow* for CSSA as well as the American Society of Agronomy (ASA). His research focuses on weed management, PGR use, and environmental stress physiology issues affecting turfgrass managers.

Mr. Burke Anders

EETC Master Technician and Toro Senior Master Service Technician and currently the Equipment Manager at Columbia CC with Sam Friar. Signed on with Smith Turf & Irrigation as a mobile service technician and began formal training of all aspects of Toro and allied turf equipment lines. In 2007 as their Technical Trainer, managed manufacturer level training programs under the STI banner. A founding member of TETAC (Turf Equipment Technicians Association of the Carolinas) and 30 years in the turf industry
