

This is
Why
we
FLY!

"When once you have tasted flight, you will forever walk the earth with your eyes turned skyward, for there you have been, and there you will always long to return."

~Leonardo da Vinci

This is
why
we
TRAIN!

Aviation in itself is not inherently dangerous. But to an even greater degree than the sea, it is terribly unforgiving of any carelessness, incapacity or neglect.

You will learn
the 4 cornerstones
of a safe pilot:

- Sound flying skills
- Procedural discipline
- Broad aeronautical knowledge
- Effective aeronautical decision making (Risk Management)
