Days of Study Groups Are Just Not Enough!!

Calling all facilitators -- new and experienced! It's time to think outside the box and expand our reach to evenings or the weekend for the 2018-2019 Study Group Season.

As our membership continues to grow, we need to continue to be creative, accommodating and welcoming. Some people still work and others have non-Brandeis commitments (those adorable grandkids!) that make daytime study groups impossible.

It's never too early to be thinking about new ways to explore our area, make new friends, and learn new things.

- What about a study group that can be offered on the weekend or on a weekday evening?
- Maybe you can team up with a friend or two to co-facilitate a study group.
- Maybe you have been hoping that Brandeis would offer a study group for your particular passion -

We'll be more than happy to help YOU get it off the ground.

HERE ARE JUST A FEW IDEAS IN NEED OF FACILITATORS:

Canasta for Beginners

Debut Novels Book Group

Play Scrabble

♦ Play Poker

Gluten-Free or Healthy Cooking

Almost all of our groups are co-ed, so couples can join together. **Facilitator training** is provided!! Let us hear from you. Please send your ideas for study groups that **YOU** would be willing to facilitate to:

2018-19 Study Group VPs, Joellyn Pollock and Kathleen Witkin phxstudygroups@gmail.com

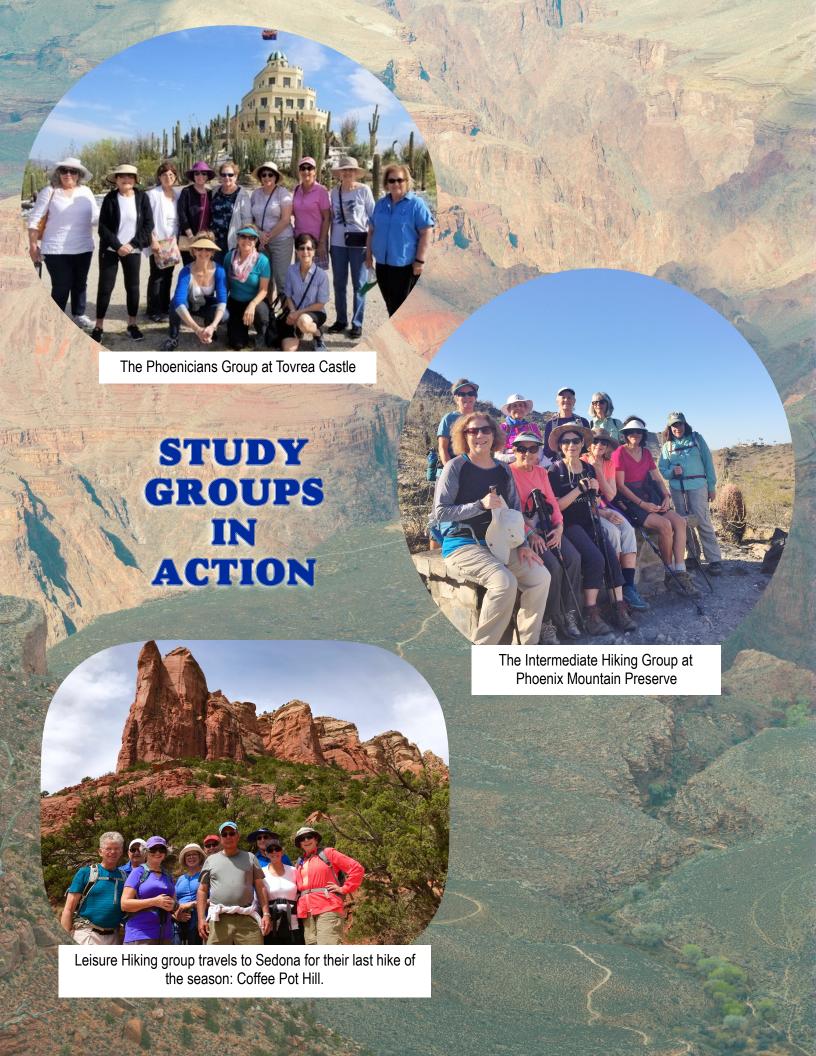

Special Note to Winter Residents and Summer Travelers

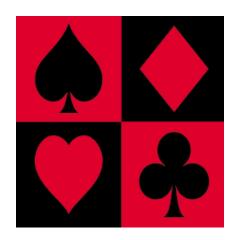

Since some Groups frequently reach their group maximums very quickly, we suggest signing up from wherever you are spending the summer months. Watch for the e-blast in August that will announce that the Guide is online.

The 2017-18 Study Group season is coming to a close. We hope that you have enjoyed participating in the wide variety of study groups this year and, as always, we especially want to thank our facilitators for making this the best season ever!
