Scholastic Clay Target Program

2025-2026 Sportsmanship Contract

The Scholastic Clay Target Program (SCTP) places a strong emphasis on sportsmanship and safety. As part of this effort, parents/guardians are asked to read and discuss the elements of this Sportsmanship Contract with their child athlete. This is a contract between the Scholastic Shooting Sports Foundation and the parent/guardian and his/her child. The signatures on this form signify agreement to comply with the provisions of this contract.

IMPORTANT! A parent or guardian and his/her child (athlete) must sign and return THIS FORM along with a signed PARENTAL CONSENT FORM to the team's Head Coach.

Parents:

I understand the Scholastic Clay Target Program's first and foremost priority is safety. I will enforce the SCTP's safety standards with my child at all times. I will encourage my child and other team members to have fun. I will behave as a positive role model, respect the goals of the SCTP, and reinforce the character values of good sportsmanship, teamwork, and self-discipline. I agree to stay off the shooting field. Any problems or criticisms will be presented in a positive way to the coaches or a designated assistant. I will refrain from criticizing other shooters, coaches, using abusive language, or consuming alcohol or drugs before or during all SCTP activities that I attend. I understand that unsportsmanlike behavior on my part may result in me being asked to leave the area. Such actions on my part could also result in my child being disqualified or even removed from the SCTP.

By signing this form, I affirm that I have read and understand the behavioral standards for parents as stated above and the behavioral standards for my child as stated below, and that I agree to abide by the stipulations therein.

I understand that unsportsmanlike behavior on my part may result in my disqualification and even expulsion from the SCTP. I will not lie, cheat, or steal nor tolerate those who do.

SANCTIONS

When an athlete is believed to have committed a major offense the Lead Instructor will report the incident to the Shooting Sports Coordinator at the Arizona Game and Fish Department immediately. The Department will immediately conduct an investigation during the investigation the athlete will be suspended. If the offense is confirmed the athlete will be suspended from the program for the minimum duration of one season. Major offenses may also result in expulsion from the program. After an athlete has been suspended, reinstatement may occur only on athlete appeal (see athlete appeal).

When an athlete is determined to have committed a minor offense or violation of the safety rules, the Lead Instructor and coaching staff will determine the duration of the athlete suspension. The incident and suspension will be reported by the Lead Instructor to the Department. The Department will review the findings by the lead instructor and may revise the finding and/or sanction.

Safety violations during SCTP events will result in one warning to the athlete. A second safety violation will result in the disqualification of the individual from the event. The exception to this is any incident involving major offenses or the placement of muzzles on an athlete's toes which will result in immediate disqualification.

The Department retains the right to review any suspension. The decision of the Department after any review is final. The Department and Lead Instructor have the right to remove an athlete from SCTP for failure to adhere to the shooters code of conduct and/or sportsmanship and ethics contract at any time.

ATHLETE APPEAL OF SUSPENSION

An athlete removed from the program for first time major offenses may appeal for next season reinstatement. In no scenario will an athlete be reinstated for the same season in which they were suspended for major offences. The athlete is the only individual who may petition for reinstatement. No parent/guardian or coach may do it on their behalf.

An athlete petitioning for reinstatement must demonstrate that he or she is aware that there is no tolerance for that type of behavior in this shooting program. The athlete must demonstrate understanding of the code of conduct, sportsmanship and ethics, how it applies to the shooting sports and in which way they violated the code of conduct and the spirit of the codes. The appeal must be accompanied by a letter explaining why they should be reinstated into the program directed to the Shooting Sports Coordinator.

This information will then be evaluated by an appeal board at the Arizona Game and Fish Department composed of the Shooting Sports Coordinator, Hunting and Shooting Sports Program Manager, Wildlife Recreation Branch Chief, an individual from the Department's Law Enforcement Branch, and a member of the advisory council. If needed, the petitioner will be asked to appear before the board. The Appeal Board will evaluate all information and decide on possible reinstatement.

Once the Appeal Board determines that reinstatement is possible it will be the final determination of the Lead Instructor of the Club if they will accept the athlete back into their club for the next or subsequent seasons. If the Appeal Board denies reinstatement the athlete may appeal the following year. Only one appeal per season will be permitted.
