President's Letter

It seems we are finally getting the nice weather we have been waiting for and our dogs are enjoying the beautiful sunshine and warmer temperatures too!

This year marks the 40th Anniversary of NERRC and we hope to celebrate this milestone with you all throughout the year! We have a fun event coming up at The Guild Brewery in Pawtucket on June 16th and we really hope it's well attended by the membership! The Guild is dog friendly so if you have a well-behaved, well-socialized Ridgeback you are welcome to bring him/her along for the fun!

At the end of June we are holding four FastCat trials in conjunction with the dog shows being held at the CrackerBarrel Fairgrounds in Wrentham. Your dogs don't have to be entered in the dog show in order to run in the FastCat. Check out NERRC's website for updated event information.

We will be sending out a brief survey soon in hopes that we can figure out how to get our members more involved - please take the time to respond to the survey. Our hope is to get an idea of what the members want for fun events and hoping that some of you might consider helping out to run those events as well.

Happy Spring!

Helen McCune
NERRC President

In celebration of the New England Rhodesian Ridgeback Club's 40th Anniversary!

The poster is yellow and features several icons: a circular logo for the New England Rhodesian Ridgeback Club, a paw print, a beer mug, a dog's head, and a full dog. The text on the poster reads:

Pups & Pints
at the Guild Pawtucket

2:00 - 5:00pm

← **RSVP Here**

The Taproom at the Guild Pawtucket is dog friendly, so bring your well-behaved, well-socialized Ridgeback along for the fun!

AKC FastCAT

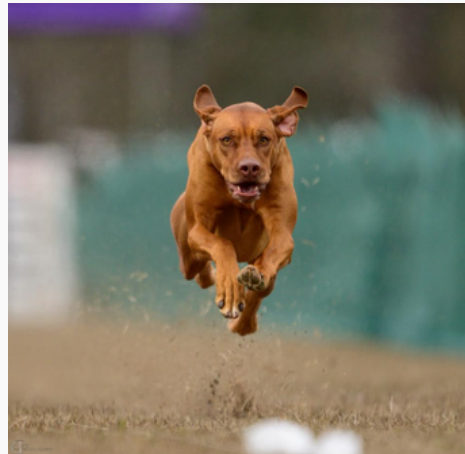

Sure, you think your ridgeback is fast. But have you ever wondered how fast? Can your dog outrun Usain Bolt, who has been called the fastest runner in the world? They just might: Usain's fastest time has been clocked at almost 28 mph – according to the AKC's Top the current rankings, the #1 ridgeback clocked in at 30.17 mph.

And you no longer have to wonder how fast your dog can run. Fast CAT® – which stands for Coursing Ability Test – is a timed 100-yard dash where dogs run one at a time, chasing a lure. It's over before you know it — and it's nothing short of awe-inspiring to watch your dog run at top speed, ears back, eyes focused, legs strong.

Fast CAT® provides a terrific opportunity to introduce new participants to the world of AKC sports as one of the few events where all that is needed to compete is a dog's natural instincts.

NERRC is hosting 4 FastCAT trials at the Crackerbarrel Fairgrounds in partnership with the Hockamock Kennel Club and Wompanoag Kennel Club

June 29th and 30th
2 trials each day run concurrently using block timing

RRCUS RIDGE STATEMENT

THE RHODESIAN RIDGEBACK CLUB OF THE UNITED STATES, INC

AKC Licensed Club Since 1971

The Rhodesian Ridgeback Club of the United States wishes to remind judges about some key points regarding the hallmark of our breed: the ridge.

Underscoring the importance of this trait, the word "ridge" is part of the breed name, and the only disqualification in the Ridgeback standard is ridgelessness.

Additionally, the only serious fault mentioned in the AKC standard is: "One crown (whorl) or more than two crowns (whorls)."

While the standard calls for the crowns/whorls to be "directly opposite each other," a minor offset is considered acceptable. Please refer to the accompanying graphics of ideal and acceptable ridges.

Judges should not mistake the natural parting of the hairs at the top of the ridge for a crown. This straight parting is where the ridge's hair pattern changes direction, and it does not have the spiral shape that defines a whorl/crown.

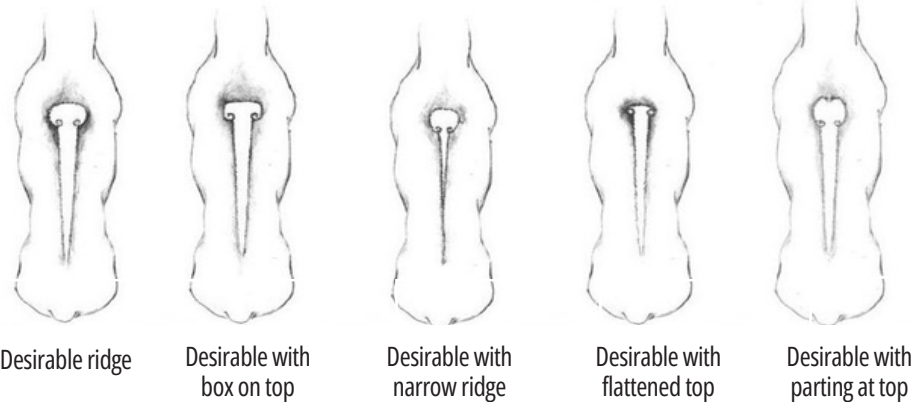

Judges should also note that the size of the crown/whorl is not addressed in the standard and is immaterial, as is the width of the ridge.

Finally, the standard says that the ridge should "start immediately behind the shoulders and continue to a point between the prominence of the hips." Short ridges that end in the middle of the back are also faulty; again, please refer to our graphics on acceptable ridges.

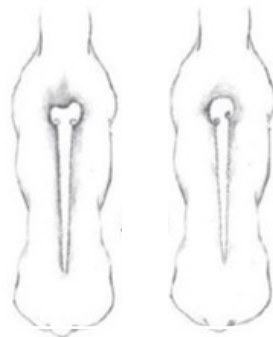

Like a good Ridgeback, balance is critical when it comes to factoring the ridge into your judging decisions. While we do not want judges to base their decisions solely on the perfection of a dog's ridge, we also do not want to see severe ridge faults rewarded in the ring.

Confirm that a dog has an adequate ridge — two crowns, no more, no less, placed relatively symmetrically no more than one-third of the way down the ridge, which should taper to the vicinity of the hipbones — then move on to structure and movement, which are fundamentally important in this athletic endurance-trotter. There must be a typey and sound Ridgeback under that ridge.

Desirable Ridges

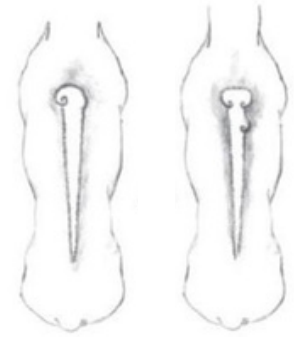

Acceptable Ridges

Undesirable

Serious Fault

Acceptable ridges: Asymmetrical fan and slightly offset crown

Undesirable ridge: Too short

Serious fault ridges: Single crown (whorl) and more than two crowns (whorls)

2024 Regional Specialty Trophy & Rosette Sponsorship Drive

This year's Regional Specialty will again be a back-to-back Regional Specialty on September 14 & 15 at the Cape Cod Fairgrounds in Falmouth, MA. and we are working hard toward making it another successful event!

Trophy sponsorship is a traditional way to help fund our Regional Specialty. Every sponsored trophy helps support a better show! You do not need to have a show dog to sponsor a trophy - this is open to all members to participate and support the club.

You may sponsor a Trophy or Rosette in a number of ways:

1. A dedication in honor of a living person or dog
2. Use your name (and kennel name, if you have one)
3. Dedicate a trophy in memory of a person or dog that has passed

Rosettes

(2 each except where noted otherwise)

Best in Sweepstakes - \$20.00
Best of Opposite Sex to BIS - \$20.00
Best in Veteran Sweepstakes - \$20.00
Best of Opposite Sex to BIV - \$20.00

Select Dog - \$20.00
Select Bitch - \$20.00
Award of Merit - \$20.00 (need 4 sponsors)
Winners Dog - \$20.00
Reserve Winners Dog - \$10.00
Winners Bitch - \$20.00
Reserve Winners Bitch - \$10.00
Stud Dog - \$10
Brood Bitch - \$10
Brace - \$10
Owner Handled Best of Breed - \$10.00
Rally (Saturday and Sunday) - \$15.00
Obedience (Saturday and Sunday) \$15.00

Sweeps Judge "Thank you" gift - \$50.00 (Sat and Sun)

All sponsorships and donations will be acknowledged in the show catalog. Please make your choices early so we can make the catalog entry deadline. Contact Cheryl Fraser at chaza@pobox.com to support the Regional Specialty.

Thank you for your consideration to sponsor a Trophy or Rosette this year.

Lure Coursing – Nikki Newton

Due to the loss of volunteers for 3 vital roles close to the date of the October lure coursing trial it was necessary to cancel that event.

RI Kennel club would like to hire Nikki with use of the NERRC equipment for a FASTCAT May 4, 2024, as we did last year. They will host the trial and will pay NERRC \$6/dog for use of our equipment and for Nikki to be Lure Operator. RIKC will provide fence and timing equipment. A vote is requested to approve this event. No vote was taken at this meeting.

The Board raised the question asking if our FASTCAT timing equipment had been fixed or was working correctly. Need to follow up with Nikki Newton.

Hockamock and Wampanoag Kennel Clubs are interested in having NERRC (and possibly also SANE, the Saluki club) host another FastCAT in conjunction with their conformation shows the first weekend in July. They would like more money from us. The coursing committee needs to determine how many days we can commit to, and discuss the fee. No vote is requested at this time.

If possible depending on weather, we would like to host a practice lure coursing day in the winter (between December and February), in Dartmouth. It would have to be planned very close to the date to account for weather. In the past these made the club a little money and were very popular. No vote is requested at this time.

Lure Coursing – Nikki Newton

I request that NERRC approve the RIKC Fastcat for me to bring the bobbinators and lure equipment but not timing equipment on May 4, for the same agreement as we have for the past two years. This has brought revenue for NERRC.

A motion by Cheryl Fraser approve Nikki Newton to bring the bobbinators and lure equipment but not timing equipment on May 4, for the RIKC Fastcat event. A second was provided by Meghan Terwilliger. Motion Passed.

We are under discussion for the Fastcat the beginning of July for Saturday/Sunday at Wrentham. The hosting clubs want more money. I am still working on that.

There was a request to the NERRC Treasurer to pay for a membership to ASFA, some clarification is needed from the Lure Coursing committee as to the type of membership desired. It was determined that NERRC is an Affiliate club.

MISSION STATEMENT

To have a group of Rhodesian Ridgeback owners and enthusiasts associated together for the improvement of the Rhodesian Ridgeback in the area and for the spirit of cooperation and good sportsmanship that prevails amongst us. To conduct functions, including but not limited to matches and educational seminars as well as conformation, obedience, tracking and lure coursing events for the Rhodesian Ridgebacks of the New England area. To provide support to organizations that provide for the rescue, care and adoption of Rhodesian Ridgeback dogs in need.
