

# START OF JACOB'S TROUBLE

## A REVELATION 12 HEAVENLY OMENS FOR ISRAEL

*How awful that day will be! None will be like it. It will be time of Trouble for Jacob... In that day, declares the LORD Almighty, I will break the yoke off their necks...instead they will serve the LORD & David their King whom I will raise up for them." -Jeremiah 30:7*

The purpose of this illustration is to show a period corresponding to a configuration of the Virgo Revelation 12 symbolism. What will be different about this depiction is that it will be corresponding to the possible Jubilee cycle. The backdrop will be the 2015 Jewish Fall Feast period as they correlate to the end of the Tetrad. The Virgo Revelation 12 depiction will occur on September 16, 2015 in-between Rosh HaShana and Yom Kippur. It will be mathematically in phi ratio to both. Most noticeably, IF the phenomenon of Planet X/Nibiru is true, it could then be possible a time when it could come on the scene -as it has 7 bodies, winged-disk shape and color red that could then represent the Red Dragon. If not at this season, then perhaps at another Virgo Revelation 12 occurrence such as the one in 2017. If in fact the Jubilee Year will be proclaimed to start in 5776, it could likely either signal the beginning of Daniel's prophetic last 7th Week of Years. Nonetheless, the specific 1260 Day count could start from this Jubilee initiation point (3.5) years that would see 2018 be the 'midst' when the 'Women/Israel' as in a Virgin is led to the wilderness for protection.

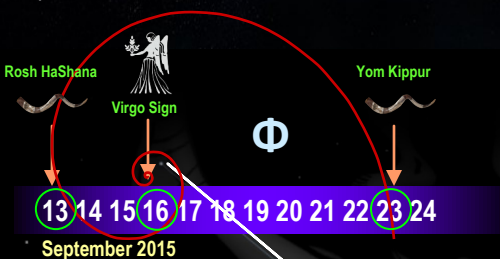

How the Virgo Revelation 12 sign is associated to the time of Jacob's Troubles is that if the Confirming the Covenant is somehow associated to the Jubilee Year, then 3.5 years or 42 months later, the midst will be the this Trouble for Jacob; i.e., Israel. This prophetic time refers to an intense period yet in the future of persecution, death and destruction for the Jewish People right before the Messiah is promised to come to deliver them and reign. It is a time of 'wrath' -of the LORD's judgment on the unbelieving world and for His discipline of Israel during this time. It is used as a Metaphor to picture Israel going through the pains of childbirth -a time of fear and pain. It is a time of purification and testing/discipline as the LORD will use the surrounding nations in the End Times to do this. The Lord says He will destroy the Nations who will come upon Israel; notably the yet to be fulfilled Psalm 83 War, Isaiah 17 Event, and the Gog-Magog Invasion. Jesus similarly described this 'Tribulation' period in Matt 24:6-8, stating that the appearance of false christs, wars and rumors of wars, famines, and earthquakes were to be "the beginning of birth pains." The Apostle Paul also described the Tribulation as birth pain in 1 Thess 5:3 says, "While people are saying, 'Peace and Safety,' destruction will come on them suddenly, as labor pains on a pregnant woman, & they will not escape." These preconditions will possibly be prevalent during the period leading up to what is referred to as the 'Great Tribulation.' This horrific Tribulation Period is needed to fulfill His YHWH's promises of the Land, The Seed, the 7 blessing He made to Abraham, Isaac, and Jacob in the form of Covenants to them and their physical Descendants/Israel. Before the Lord can fulfill these Covenants, He has to firmly discipline the Israel for Confirming a Covenant with Death.

### OBSERVATIONS

Astronomically, the Sun is directly in the Head region of Virgo, the Moon (above the Ecliptic) is directly at her Feet and Mercury (Messenger/Angel) or 'Man-Child' is 'birthed' out of Virgo's Womb. Sept 13 is uniquely or coincidentally marked by 1) a New Moon, 2) on the Jewish New Year's Eve, 3) with a Partial Total Solar Eclipse. The Blood Moon will be in the midst of the 7th Month Tishrei. The beginning of Yom Kippur, 10 days after Rosh HaShana, the 7th Jubilee from 1967 capture of Jerusalem by Israel since AD 70, will be proclaimed making 2016 the Jubilee Year (120th). 15 Days later on Sukkot, you have the last of the 4th and last Blood Moon that make up a Tetrad, right in the middle of a 7-year cosmological parenthesis starting in 2011.

### A NOTE ON THE YEAR OF JUBILEE

#### DANIEL'S 70 SEVEN'S -DAN 9:25

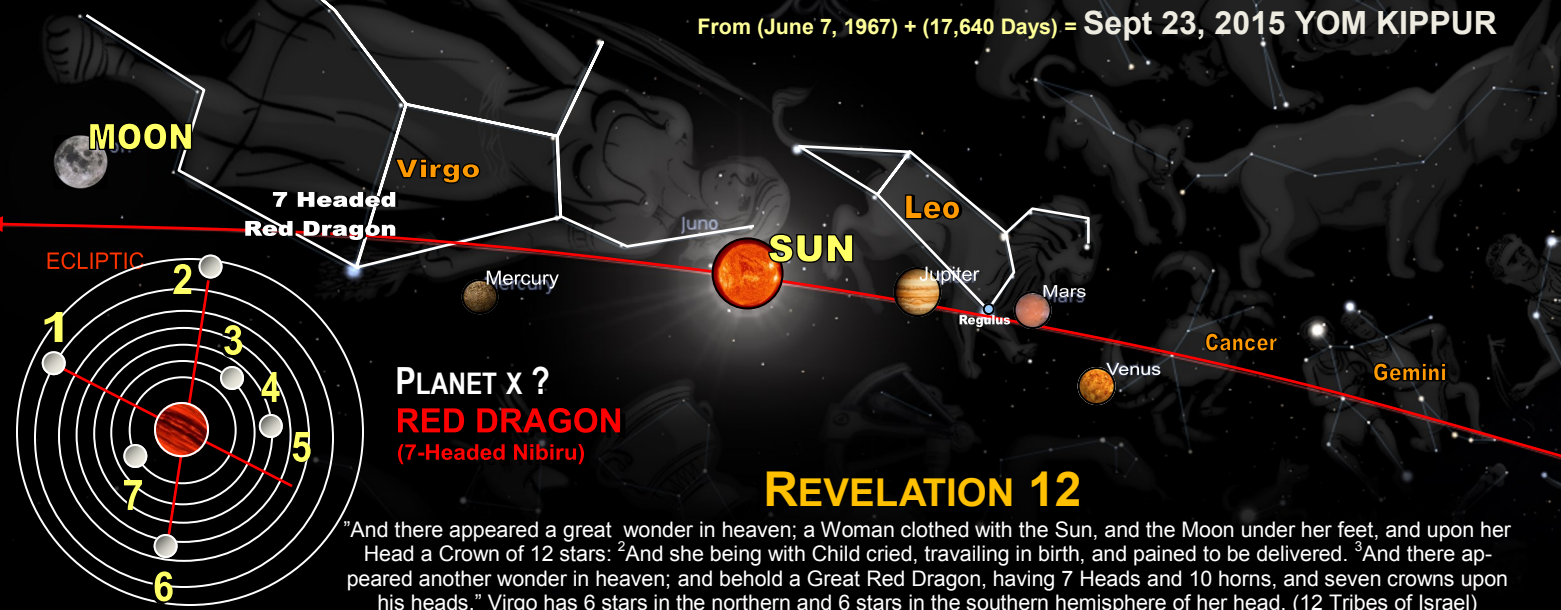

A factor of 70x7x7 which equals 3430 Years. This Time starts from when the Israelites crossing the Jordan River and entered the Promised Land circa 1416 B.C. Using this formula, it brings us to 2015.

**(3430 Years) - (1416 BC) = 2014+1 Year or 2015 (no year zero)**

After Israel celebrates the Sabbatical Year in 5776 (2015) -Lev 25, the next year will have YHWH's signature 777, the year of divine totality and completion, the triple 7 in the Jewish Year of 5777. Coincidentally, it will be the 7th Jubilee marked-off from June 7, 1967 (a Jubilee year). At that time, Jerusalem was restored to Israel and began to be built up in troublous times as Daniel prophesied it would. Will the end of this time period and Jubilee count signal an 'end' to something very prophetic?

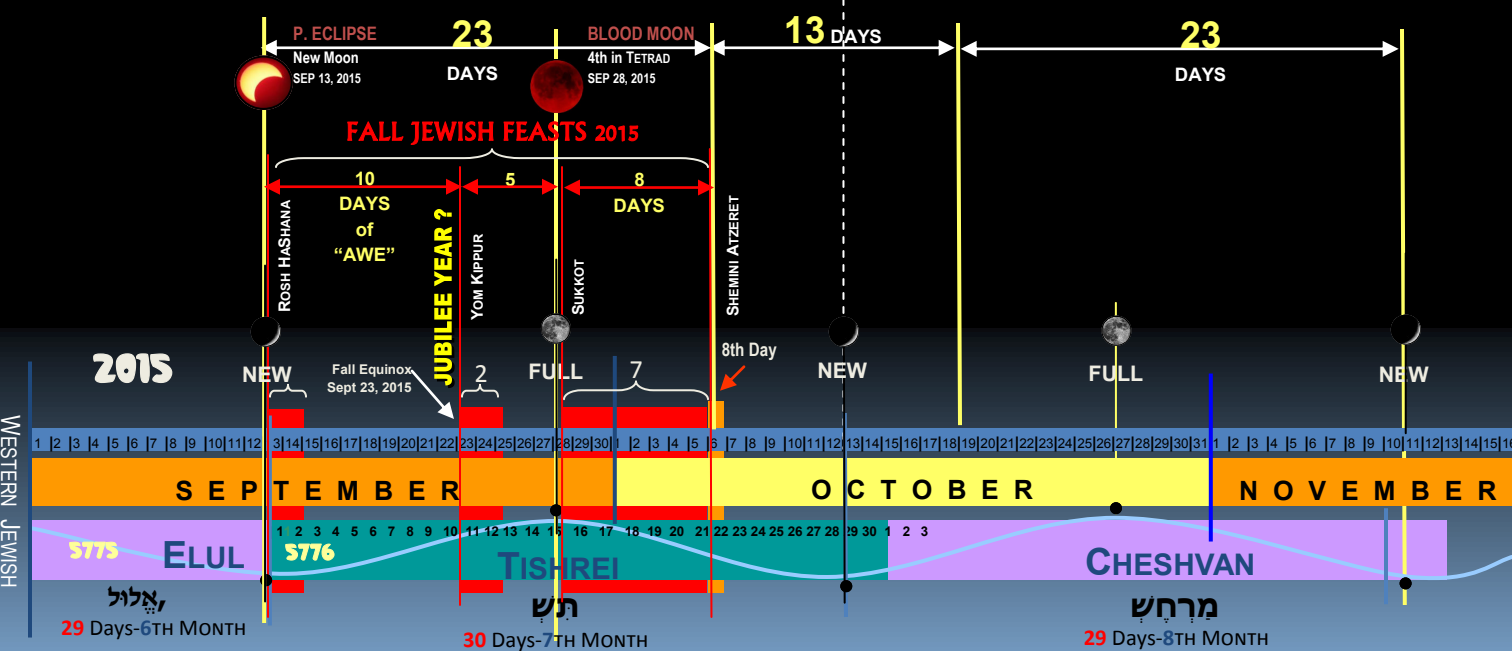

**49 prophetic years (1 Jubilee period) x 360 days = 17,640 days.**

**From (June 7, 1967) + (17,640 Days) = Sept 23, 2015 YOM KIPPUR**

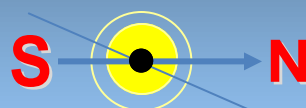

### REVELATION 12

"And there appeared a great wonder in heaven; a Woman clothed with the Sun, and the Moon under her feet, and upon her Head a Crown of 12 stars: <sup>2</sup>And she being with Child cried, travailing in birth, and pained to be delivered. <sup>3</sup>And there appeared another wonder in heaven; and behold a Great Red Dragon, having 7 Heads and 10 horns, and seven crowns upon his heads." Virgo has 6 stars in the northern and 6 stars in the southern hemisphere of her head. (12 Tribes of Israel)

## Jewish/LORDS Fall Feasts

Based on one interpretation of Daniel 9:27, the last Week of Years is a dual prophecy of both the Christ and AntiChrist. During the last 7-Days of Jesus' life, Jesus was cut-off during the midst of the week, crucified on a Wednesday, the 3.5th day and rose on the Sabbath, the 7th day. The AntiChrist declaration of Messiahship occurs at the prophetic 'midpoint' of a 7-Year period when the rebuilt Jewish Temple has been made desolate by his abomination. The 'Confirming the Covenant' initiates this last countdown of a 7 prophetic time as Christ had. Then 3.5 years into the 'covenant' will the false Messiah of Israel start the intensification of "Jacob's Trouble" after the AntiChrist stopped the Daily Oblations. This midst may possibly correlate to the Revelation 12 imagery that occurs on Sep 23, 2017. It will signal the subsequent persecution of the Remnant of Israel as they flee for Petra for a total of 1260 Days (3.5) years on a 360 Day/Year count to be protected supernaturally by the YHWH. The AntiChrist, 'Red Dragon' will try to 'devour them perhaps as the 7-Headed Nibiru-Planet X is seen in the starry skies that will make man's hearts fail for what is about to come upon the Earth.
