WAITING IN LINE AT THE ACME

Unfortunately the line at the Acme is becoming an issue again. We would hate to have to get to the bus hours before each trip to hand out seat numbers to each person. If we have to do that, it will be one ticket per person that is there. you will not be able to get two. This will obviously be a big inconvenience for us as well, but we have tried to ask people not to do that but lately, it has been happening again that people are in line and then 4, 5, even 6 people get in line with them. It is not fair to the people that have been standing there to get a seat. Some people get there early and wait because they have motion sickness issues or mobility issues and then wind up in the back of the bus. If you are in line, you are able to bring one friend or spouse in. That doesn't mean that your friend can then bring another friend in also. Please be courtesy to your fellow

travelers

TONY'S BLOG

The month of March is special for a few reasons. First, it is the beginning of Spring, St. Patrick's Day and St. Joseph's Day. But, it is also special for me because it is my birthday. I can't believe I will be another year older. I don't feel elder so I will not be changing my life style of living. Age is just a number and I believe that everyone should live their lives to the fullest. I must admit that I am more rested after spending 14 days on a Caribbean cruise. The weather was wonderful and in the 80's everyday. We stopped at 8 different islands with beautiful beaches and some great shopping. But the best thing about a cruise is that it is a true vacation. Its your choice on how you want to spend each day. Happy Spring!
