Phishers send fake invoices

by Ari Lazarus
Consumer Education Specialist, FTC

We’ve recently heard that scammers are recycling an old phishing attempt. In this version, scammers, posing as a well-known tech company, email a phony invoice showing that you've recently bought music or apps from them. The email tells you to click on a link if you did not authorize the purchase. Stop – do not click on the link. That’s the new twist on an old scam.
