

Connects Autism Tanzania is seeking to fill the following volunteer positions:

Special Educational Needs School Support Worker

Location: Hai District, Kilimanjaro Region, Tanzania

When: Starting dates available throughout the year

Hours: 35 hours a week minimum of 3 month placements

The internship/volunteer position is to provide programme support to one or more schools or organizations with whom we work. You will also be working closely with CA Tanzania staff, Special Needs Teachers and Government Special Education Officers across the Northern Zone of Tanzania.

The overall goal of this position is to support Tanzanian special needs teachers with professional development in the area of student assessment, individual goal planning, teacher lesson planning development and support teachers in developing effective teaching materials.

You'll be a qualified teacher with at least one year's experience of working with children who have special education needs.

Volunteer Fundraising and Research Officer

CA Tanzania is seeking volunteers to assist us in tapping funding sources that will allow program sustainability and expansion.

Location: Anywhere

When: Immediate

Hours: Minimum 5 hours a week

Responsibilities:

- seek out potential financial supporters of our work as a locally registered NGO advocating for the rights of the disabled in a developing country.
- Identify relevant grants and write letters of intent and proposals
- Conduct research tasks to grow CA Tanzania's work and provide data requested by grantors

Qualifications: Our ideal candidate will have:

- English fluency
 - Strong writing skills
 - Regular access to Internet and email
 - Familiarity with or education in writing grant proposals
 - Ability to work virtually with a team and respond to email requests and inquiries quickly
 - Willingness and ability to adhere to deadlines
 - Motivation! The staff of CA Tanzania will invest their time and energy to assist you in any way possible, so while this is a volunteer position, we will depend on you to help our organization move forward.
-

Volunteer Communications Officer

CA Tanzania is looking for a Communications Volunteer to raise the profile and awareness of our NGO internationally and within Tanzania. As a communications volunteer you should enjoy sharing information and networking, and/or want to develop these skills further.

Location: Anywhere
When: Immediate
Hours: Minimum 5 hours a week

Responsibilities:

- Assist in establishing appropriate and beneficial media connections locally or globally, depending on your location
- Keep social media current and explore new ways and methods to get out the message about CA Tanzania's work and activities
- Assist CA Tanzania's staff in decimating educational materials as well as information about events, activities and other news
- Assist in keeping the website up to date.

Qualifications: Our ideal candidate will have:

- Regular access to Internet and email
- Good organizational skills
- Knowledge of social media including Facebook, Twitter and other outlets
- Ability to work co-operatively with others
- Good listening and communication skills
- Ability to enthuse others
- A professional and courteous manner
- An interest in the area of intellectual disabilities and willingness to learn more about those with autism and co-occurring conditions.
