

■ Children Learn What They Live ■

If a child lives with...

criticism, he learns to condemn.

hostility, he learns to fight.

ridicule, he learns to be shy.

fear, he learns to be apprehensive.

shame, he learns to feel guilty.

tolerance, he learns to be patient.

encouragement, he learns to be confident.

acceptance, he learns to love.

recognition, he learns it is good to have a goal.

honesty, he learns what truth is.

fairness, he learns justice.

security, he learns to have faith in himself and those about him.

friendliness, he learns the world is a nice place to live, to love and to be loved.
