Skidders news and doin's from
the scribe.

MARCH 2017 NEWSLETTER

Well Skidders if you did not make the March shoot you lost out on some fine shooting weather. Seven shooters braved the calm, warm, sunny weather, it was about 75+ degrees and virtually no wind. I think this may have caused myself and a couple of the other skidders difficulty adjusting to standing still and not swaying in the wind.

Gutshot (Darrell K.) and Standing Moose (Carl S.) with the aid of Hawk Dancer (Jerry M.) put on a 25 yard shoot that seemed to be easy for some and difficult for others.

And we have more wisdom from the scribe:

SKINNERS DO NOT FORGET TO DONATE YOUR PRIZE FOR THE SQUIRREL SHOOT

All the targets were 25 yard targets but a little difficult to see on the white board with the sun shinning on it. The plus / minus target gave some of us problems. Cumberland Jim (Jim F.) and Two Eagles (Peter tho S.) turned in some good scores. They appeared unscathed by difficult targets or the lack of wind. A lot of the targets had small scoring

areas such as the atom and the bear targets but a few shooters managed to build up their scores with this challenge.

Once again Grizz (Erin O.) rolled in to shoot with the aid of his wife (Claire P.) for back up support. We are happy to welcome Grizz and Claire to the Skinner family. Grizz has most of the gear and clothing to fit in right away. He

states that he hasn't shot for a couple of years until last months shoot. I have a feeling he is finding that his shooting skills will come back to him very rapidly. Grizz states that Claire may shoot on occasion so we look forward to having her burn some powder with us.

Attention Skinners: please note the following information.....

We discussed at the Skinner's Christmas Party that we would put on some Saturday shoots during the year to accommodate those Skinners and guests who do not or cannot shoot on a Sunday. Smokin' Toes has compiled a list of Saturdays with Skinners that are willing to put the shoot on by providing targets and scoring the scoring. Any

Skinner is welcome to shoot on a Saturday along with anyone else that shows up to shoot. If you can help someone else on a Saturday shoot let them know ahead of time if possible or show up and volunteer.
