MONDAY YARD DEBRIS AND WASTE COLLECTION

Yard debris will be collected every Monday in May, June September and October. Every other Monday for July, Aug. Please have it out by **7:00am sharp** to ensure pick up. If it is missed call the office to ensure pick up. Yard debris consists of compostable items such as grass clippings, leaves, garden refuse etc. Please do not put rocks, gravel , soil or sand in as this makes it too heavy to be collected and bags break open creating a delay in pick up for the rest of the village. Weeds are not considered compost and should be included with your garbage instead.

Waste Collection is every **Monday 7:00am sharp**. Please ensure that your waste is bagged, tied and put in secure sturdy bins with lids that cannot be knocked over easily. No more than 40lbs per bag. If pick up lands on a statutory holiday, pick up will move to the Tuesday of that week.

Our office has implemented a new email address, RVB-Say-Tah@bsaytah.com. Moving forward, please utilize this email address for all email communication.

Camper trailers, RV travel trailers etc. are permitted on a lot with a dwelling for no more than 30 days at time to be used as guest accommodations. Please kindly remove your campers to an alternate location such as the echo provincial park or another municipality that provides for seasonal camping. The Resort Village of B-Say-Tah is not a seasonal campground.

NEW FIRE CHARGES FOR CALL OUTS *

CALLING LAKES PLANNING DISTRICT COMMISSION

The Calling Lakes Planning District Commission is working at coming up an economical way to help residents dispose of toxic railway ties that maybe used in yards for landscaping or retaining walls. Ties can be costly to dispose of. The CLPDC has asked us to find out the approximate volume of ties our residents need to dispose. Please contact the village office to let us know how many you may need to get rid of. Scan the QR code from your smart phone or use this link to fill out the survey <https://forms.office.com/r/1jwxaZxmvi>
