Re: Recommendation for Mark T. Small

To those parties interested in bringing Mark T. Small to your venue for a musical event, I highly recommend his performance, musical talent and historical presentation re: American Roots Music. The Plymouth Public Library worked with Mr. Small to bring a special event to the Library during ArtWeek2018. He has also performed for our younger audiences with the same success in both teaching and performing with a variety of instruments. While Mr. Small is a well-known artist in his own right, it is important to understand that public libraries are a wonderful venue for musicians such as he. I believe he is a true perfectionist in all aspects of his performance; arrival time, professional courtesy, and talent.

Please let me know if I can be of further assistance when booking Mark T. Small.

Sincerely,

Jennifer Harris
