ATTENTION ALL RESIDENTS

IMPORTANT INFORMATION ABOUT PUBLIC STREETS AND MHA TRESPASS POLICY

An Inter-Local Agreement between the city of Morristown and the Morristown Housing Authority is intended to make the public housing area safer for residents.

Across the county, resident, local housing authorities, and law enforcement have made a priority of improving safety in public housing. One strategy is a “No Trespass Policy” which allows law enforcement to warn and ultimately charge non-residents who enter the public housing property. Research in other communities has shown that allowing housing authorities to lease property surrounding the developments assists in ensuring the safety of public housing residents.

The local agreement allows Morristown Housing Authority to lease the streets which service the public housing area. Under this agreement, Morristown Housing Authority will gain control of the public areas, streets, and sidewalks within the perimeter boundary of the housing authority. This move will allow the streets to be utilized for the benefit of the residents of Morristown Housing Authority thus providing local police an additional tool to remove and prosecute individuals who trespass on the property.

The Agreement does not restrict travel on “thruway” streets with the Morristown Housing Authority system.
