

Product Specifications

Knauss genuine old-fashioned, dried beef started as a Pennsylvania Dutch favorite and is now enjoyed across the country. This slowly cured, lean beef is trimmed to attain 92%-98% leanness and then cured and dried in our smokehouses. Knauss contains NO MSG, is Gluten Free and can be served creamed over toast, used in dips, hors d'oeuvres, casseroles and sandwiches.

Made from 100% beef knuckle, this is a value priced form of dried beef, but must be sliced and cut at the time of use. Allows knuckle to be utilized as chips or slices. Available in whole and half pieces.

Bulk formats available from sliced whole knuckles:

- **Center cut slices:** sliced only from center of the knuckle. These large slices allow for more consistent product application.
- **End to End Slices:** sliced consistently for thickness but may contain some chips since the product is sliced "end to end." Perfect for ingredient based opportunities.
- **Chips:** the ends & smaller pieces that are a by-product of the pouches.

Chunked & Formed Dried Beef - An all beef, roll-type product which is made from coarse ground beef chunks with no water added. This item is stuffed under pressure into casings and then processed in our drying houses. Available as sliced or as sliced and diced.
