Church members and friends, the Scholarship Committee would to remind you of the Scholarship line item on the offering envelopes. We have five or six high school students that will be furthering their education after high school. The Scholarship Committee would like to be able to present each student that applies for the RMBC scholarship, an award and/or scholarship. We want to encourage each of you to give to the RMBC Scholarship. No amount is too small, just whatever you can give. Your support will be immensely appreciated.
