## CUSTOMERS

My sister and I started Let Us Do That in 2012 to give people an extra hand. Our mission is to make your life easier with our personal assistant services. We develop lasting relationships with our clients, many of whom are seniors or folks with health issues that need assistance with errands, grocery shopping, general help at home, help with pets, transportation to appointments, and accompaniment with doctors. Other clients are busy parents and professionals that just need a little extra help from time to time.

*"Especially being handicapped, it's very nice having someone I can rely on to help me filter through paper work and understand doctor's instructions. You are always prompt and get me to my destination on time."*

*—Frances Carmody*

## COMMITMENT

We give you peace of mind it will get done, and done right. While we can support one-time requests, our focus is on developing trustworthy relationships and serving clients that need our services on an ongoing basis. We understand things come up quickly and your schedule can change often. In general, we need 12 hours notice to help you out, but we can also be flexible as long as we are available. We are fully insured and have many great customer references.

*"You have done so many things for me, such as visits to doctors, where you stayed with me to assist, grocery shopping, and especially clothes shopping with me where you helped me get in to the jeans."*

*—Mary Grady*

## RATES

Most of our services inside Lexington, KY are \$20 or \$25 per hour. More involved or complex projects may range from \$30 to \$40 per hour. One hour is the minimum per service, and each subsequent hour is pro-rated to the nearest fifteen minutes. Transportation outside of Lexington is an additional charge of \$.57/mile. *"Kelley takes my mother to the grocery, picks up prescriptions, and takes her to get her hair cut when I'm working. She is patient, kind and dependable. My mother and I feel blessed to have Let Us Do That in our lives."*
