Committee Reports:

Quilt show – no new news.

Sunshine – no report. Those who have received hearts due to illness, surgery, or loss were thankful. Please let us know if you experience surgery or loss so we can get you some hearts also!

Set up and take down – waiting on a sign up sheet. We appreciate those who come early and stay late to clean up since we don't have a list yet.

Charity Quilts – The committee is writing guidelines for quilts. Karen Dye learned a new way to square up quilts and will show us soon. Pam and Ann were able to purchase a lot of fabric from an estate sale to help with charity quilts. If you happen to use any to make a charity quilt, they thought it would be nice to be able to share photos with the family the fabric came from. We are getting close to having what we need for the domestic abuse center. Also have added Waverly flood victims to our list for donations.

Programs – next meeting is a sit and sew for charity quilts. Charlotte will be teaching a trash bag quilt. Supply list will be on the website.

Old Business – none

New Business – none

Carla was back with door prizes! Winners were Karen M., Suzy G., Brenda P., Ann M., Lissa A., and Betty K.

Show and Tell was presented, we had cupcakes to celebrate our 15th anniversary. A larger program for our 15 anniversary will be held Dec. 9, 2021 at the Ag Center, Murfreesboro.

Meeting was adjourned at 11:02
